LABORITES PLAN ATTACK

Soviet Claims Add Fuel To Murky Frogman Case

LONDON (Reuters)—Pressure rose today for before the royal commission on Prime Minister Eden to "come clean" on the murky broadcasting for freedom from frogman case as the opposition Labor party prepared to make a concerted attack tonight on Eden's policy

of secrecy. The "come-clean" call came from a normally pro-government Daily Express, as fresh Russian: charges of underhanded British officially authorized were not; activity in the case complicated "convincing."

Eden's task.
