"WONDERFUL PLACE"

"We have a wonderful place home which they rent from the here," Billie says. "It's warm in the winter and just about right in the summer. We have two oil stoves for heat. We even have bathtubs, which is wonderful. Some of the contractor's houses have only showers."

Their home has a utility room where Billie keeps her gleaming! washing machine. In the kitchen is a tall, wide refrigerator.

"I do about three washes a week," she says. "Some of the heavier things—down to Vancouver. We have to send all our drycleaning that way. They have i back in 10 days."
