## Savings Club Planned For Annunciation School

Annunciation school will be the first school in the northern British Columbia to establish its own Junior Savings club as a result of a decision taken at Tuesday night's meeting of the Annunciation Home and School association.

Following reports by A. D. Bowen and H. J. Scholten the association voted unanimously to inaugurate a savings club for the children. The club will be sponsored by a local credit union.

Mrs. Neil Galbraith was instructed to write the Kasen Consumers Credit Union asking it to sponsor the savings club. Mr. Scholten told the meeting that Mrs. Ues Van Island had volunteered to assist as collector.

In other business the association donated \$25 toward the publication of a school paper.

Fruit and candy for the children's Christmas party tomorrow will be paid for from the proceeds of the recent bake sale.

GOING UP

LONDON -- A £51 damages claim — estimated cost of rebuilding a brick wall — was increased to £60 in a Lancashire court because of the increased cost of living, building and price of work. Judge Clothier advised: "Get the action tried as soon as possible, before the cost goes up to £90."
