CALGARY Course A constant mond. Mrs. Keen ruffed the won with the ace.

> would have been easy if the nine of hearts were added to either at the dummy.

FIGURES MUZZY He thought of playing Mr. Muzzy for five hearts to an honor which would leave Mis.

Keen with a doubleton honor.

With that set up, he could lead a small heart from the board and play his ten spot. Mr. Muzzy would win but then the play of the ace of hearts would drop Mrs. Keen's honor and make dummy's jack good.

Mathematically thus someded all right but on the bldding the distribution seemed practically unnossil, e.

Mr. Dale decided to foregomathematics in favor of humanies. He saw a way to make: the contract if Mr. Muzzy had both outstanding heart honors. one of them or neither of them Of course a little hero from Mr. Muzzy might be required. MUZZY "MAKES SURE"

Two rounds of trumps were played and then Mr. Dale ledhis last club. Good old Muzzy went in with the king and returned a club. Mr. Dale ruffed away. That's what three-year- and now, with diamonds and old Roger A. Chisholm seems | clubs stripped from both hands, he led a low heart,
