own financing hopes.

In other words, there were three key cards which had to be / knocked out before nine tricks could be accumulated. These were the ace of clubs and the ace

and king of diamonds. Mr. Meek hoped that only one of those cards was in Mr. Abel's hand as an entry to the long heart hold-PORT ANGELES, Wash, M. --, small outboard motor, had been ing.

He got his wish. Mr. Abel had only one quick entry, the ace of cials for permission to enter diamonds. But even so, the hand was defeated. But he apparently met with

Mr. Masters used his imaginalittle success. As one Royal Cana-tion to picture the true layout of cards around the table. With "We don't think it is justifi- as much as an ace, a king and a. queen in his own hand, he knew it his partner could not possibly ! have more than one entry card.!" He did what was necessary to preserve that entry card in Mr.; Abel's hand for later use. RETURNS DEUCE

At trick three Mr. Meek went to dummy with a small spade to the jack and returned the deuce of diamonds. The usual play from Mr. Masters' holding would be a small diamond; but he | stepped right in with the king and was happy to note that it held the trick. He led back his / last heart, knocking out Mr. Meek's only remaining stopper.

Later there was no way to prevent Mr. Abel from gaining the lead with the ace of diamonds and cashing two good hearts. The ace of clubs completed at well-earned two-trick set.
