frozen foods with a ten-foot spoon-that's a kitchen revolution. Yet some lifty quick-frozen Cirillic delicacies are now being marketed by a French company of cooks.

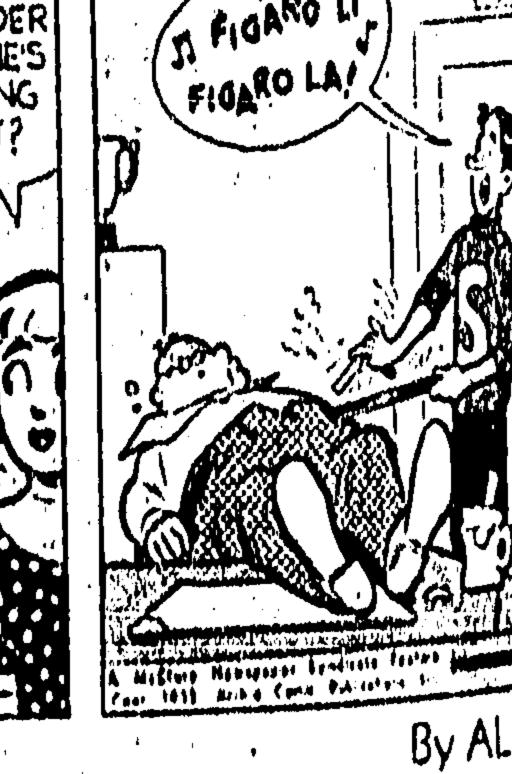

We're glad to report that aluminum gets a Cordon Hleufrom the gastronomes. They use It in conveyors, containers and kitchen equipment; and they use: nothing clse for packaging their products. They respect the way tasteless, odorless, moistureproof aluminum respects their creations, keeping their freshnexs and delicacy of flavor till the magic moment when they reach the table.
