ALLAN PIPER, 44-year-old former army captain who lost both his hands in a grenade explosion in 1942, built this dolls' house and many other pieces despite his handicap. Mr. Piper, deputy chief service operator of the Dominion Command of the Canadian Legion, makes this intricate work his hobby. He maintains "there are things I can do that people with normal hands can't.''

But now she needed two entries to commy-one to knock out the ace of diamonds and one to get back for the rest of the suit. She had only one, the king of clubs.

#### NO PLAY

She simply had no play for nine tricks and was down two; ' winning only one diamond, two clubs, two hearts and two spades,

Mr. Meek followed a commendable practice, that of refusing to win the first trick in a key [ , suit at no trump, where the fin- I

#### Asbestos Mines At Cassiar rrogressing

CASSIAR, B.C. — @ -- An usof a mountainside at the 6,000foot level near this tiny British Columbia settlement, about 60 miles south of the Yukon bor-

In this isolated spot, the Cas-: siar Asbestos Corp. has aiready stripped thousands of tons of asbestos libres from the mountain top and now is developing the new mine.

This summer, ore was taken from the mine at the rate of 1,500 tons a day and before winter closes the year's operation, more than 40,000 tons will have been removed.

A mill with 700 tons a day capacity is located on another mountain, 3.450 feet up McDame. mountain .
