INJURY SIDELINES NOBBY

TORONTO --- (P) --- Quarterback Nobby Wirkowski will miss Toronto Argonauts' windup game against the Tiger-Cats in Hamilton in the Big Four Football Union Saturday, it was announced Tuesday night.

Dr. Larry Eckert, Argonaut club physician, said Wirkowski's eyes are sensitive to light because of a poke in the eye he received in Saturday's game here against Ottawa Roughriders. Nobby, who played the last three quarters with only the sight of one eye, irritated the injured eye when he picked up some lime from the yardage markers.

Dr. Eckert said Wirkowski will not suffer permanent da-. mage to the eye. He is expected to leave hospital some time next week. Quarterback duties will be handled by Dick Shatto.
