Who's been eating my Corn Flakes?

Even with wide-nwake little goldllooks like this around to keep an eye on the supply, more families ran out of Kellogg's Corn Flakes this morning than any other cereal. It happens every day, because Kellogg's Corn Flakos just naturally taste best to more people, Always have. Still do. Is it any wonder so many women pick up a spare package of Kollogg's Corn Flakes every time they buy any cereal of any kind?
