By DICK AYRES

Prince Rupert Daily News

Thursday, February 3, 1955.

No sooner do we in Prince Rupert start feeling good about the handling of registration having a city school curling rink representing us in the British forms for the boys. Registration Columbia championships, than the Department of Education forms will be available at the blows its top.

Well, thank heavens, we say, ling, and the school board this be returned to the Civic Centre for a sane and farsighted school week confirmed it, that if a stu- on April 2. today that the scheduled game board and group of school offi-|dent doesn't make his grades. On that date also, all players between old-time cage artists, cials who announced only yes- then he is deprived of sports who intend to play in this year's of the city and Manson's Ome- | terday that outside sports com- | privileges. If a student taking Little League must present their ga's scheduled for Saturday petitions and tournaments will part in sports keeps up his scho- birth certificates at the same will be postponed for a week be held out as inducements for lastic average, we see no earthly time that registration forms are should be curbed.

You can imagine the joy | of the department of education sports career to discipline his or morning. said that a new policy on inter- her body and mind. They learn high school sports was slated by to forget self and work for a next September.

Mr. Thiessen told the curlers for the practices that make perthat the department felt some feet, to give their best no matter students were losing too much what the odds. In other words time to sports and "a stand was from the time they step onto the playing floor or field, they

necessary." To complete his role as bearer should strive to do everything of good-tiding, Mr. Thiessen, in that will bring credit to their keeping with the tactics of his fellow students, their classes. Bible - thumping employers, dragged in the Sunday , sports , issue. This time, however, he dits to themselves but that credited ministerial associations with being the complainants.

Now we have no quarrel with letes have good grades, or they ministerial associations. They're wouldn't be playing, why should fine organizations for ministers, the educational "powers that be" They work to keep harmony be-suddenly announce through a consultant (another frill?) that tween varied denominations and have one thing in common, a change of policy is necessary. Christianity. Any member of a ministerial associtaion will tell that keeps students active. you that Christianity shouldn't healthy and learning sportsmanbe merely a Sunday affair but ship, teamwork and the initiashould be a seven-day-week, tive that leads to good citizen-365-day-a-year matter. So far ship would be one of the things as we know the only beef against that would be encouraged in our Sunday sports is against those educational system, not discoursports cutting into church ser-aged. vice times. If there are such, re- : After all, while we know that scheduling not cancelling can be our puritanical governmen arranged without too much could hardly be termed a bunch of "sports," we are sure that trouble. they wouldn't want to be la-

But when Mr. Thiessen says belled a collection of "spoll-"a stand is necessary" he wasn't sports." just whistling Dixie. A stand: against such outmoded ideas is Use WantsAds—They Pay

Once upon a time, say a quarter of a century ago, all there was to school was lessons and sports. Students spent their time doing work in school, taking exams to see if they were making the grade and doing home. work. In their spare time they took part in sports, track and field, soccer, basketball, hockey. gym work, baseball and the girls, b softball. They had no time to [loaf or lounge around or get into

Today the high school student is counselled, phsychoanalysed. and kept happy with drama; glee, chess and checkers, novelty | dancing, photography and authors clubs. After four years some i of them emerged into, a cold, cold world, unable to spell, write! a business letter, give correct |change or conduct an intelligent |

conversation. It would seem more to the point therefore, if the depart- To Stewart, Alice Arm-Satment started worrying about rather than cutting down on sports, something that has in beneficial to the student in fitting him for the future.

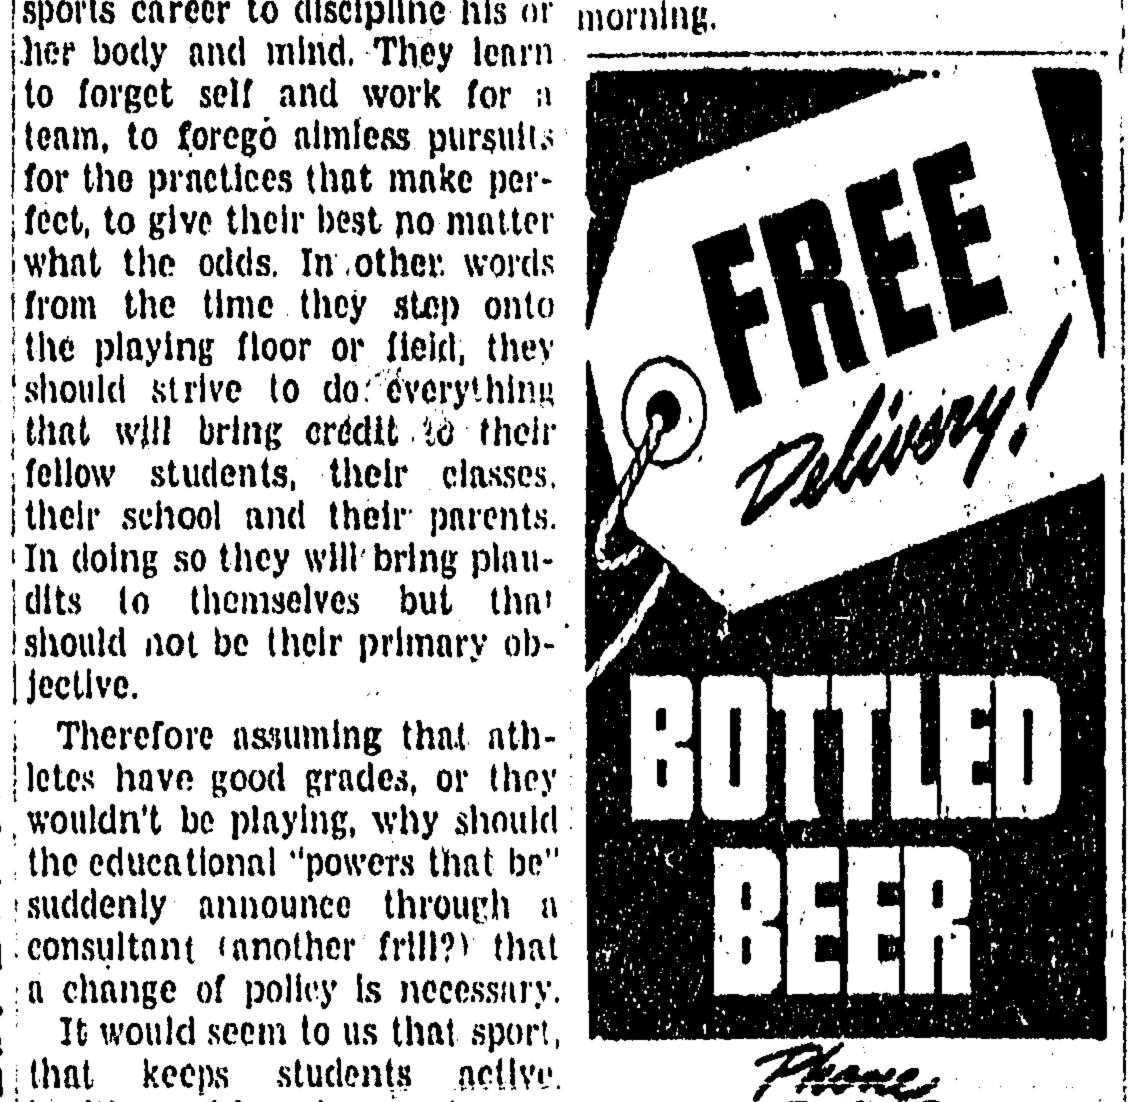

In our association with sports for the last 30 years, either as a participant or a close observer, we can't recall meeting a single! boy or girl athlete who ended up a failure or on the wrong side of the law.

Bowen Named Player's Agent For Little Loop

Archie Bowen, last year's president of the Prince Rupert Little League has accepted the post as this year's loop players' agent, a spokesman for the League said this morning,

One of the main duties facing the new player's agent will be Civic Centre March 26 and must

reason why sports activities turned in. Boys who played last; year and who are eligible to play again this year will not be re-li spread around at the B.C. High If athletics are taught pro-quired to go through the com-School Curling Association's an- perly, and we have every reason plete process of re-registration, mual meeting in Nelson, when to believe they are, a student but they must supply proof of Al Thiessen, regional consultant should learn early in his or her age, a league spokesman said this
