The city's share of the 1956 District 52 School District budget may be \$17,000 above what it was last year, it was disclosed at council Monday night.

The school budget of \$522,000 was submitted to council and tentative allocation of the city's share of the school costs: was placed roughly at \$174,000 as compared to \$157,000 last

Connell accepted the budget and granted an advance on the 1956 estimates of \$30,000 to the school board.
