two benefits from progress

High school teacher William Macready speaks with authorhily about progress in the vitally important field of education. "Foday's improved schools," says Mr. Macready, "are the result of years of planning, research and experiment. Modern buildings and equipment make for more effective Manager Ling 19 Struction New teaching methods help students develop I new skills and extra-curricular interests. Today, the teacher's Littlisk is more gratifying than ever."

Thanother field, mon like William Macready also benefit from progress in a way vitally important to their families Militally inkingance. Family men are making greater use of the services, than ever before. In proportion to the national Theonic, Canadians own more life insurance than any other, incople in the world.

Today, life insurance representatives are better trained to holy you. Group Insurance has brought new security to in Illions. And many restrictions on obtaining life insurance Michile hear removed.

In these and other ways, the life insurance companies keep. Signate with the march of progress.
