CANADA SAVINGS BOND VEACH YEAR

> It's an exciting adventure . . . growing up. The world is so new and big...and one can never quite get over the huge discovery that one is becoming a person.

> No one knows today how many thousands of young Canadians are leading fuller, happier lives because their parents bought Canada Savings Bonds' regularly over the years.

> There are people who always intend to do something about things like this and then forget. So make a cast-iron resolve to talk to your bank or investment dealer or sign up on the Payroll Savings Plan where you work... without fail.

> And whether you are a parent or not, discover how these fine investments will put a twinkle in any eye --- your own included.
