

FRANK SINATRA, who is being linked romantically with Gloria Vanderbilt, seems mighty happy as he dines with recording star Jill Corey at New York's Narwyn Club, a breath's distance from Gloria's hotel residence. Jill, who made success the hard way, is a look-alike for the "poor little rich girl."

### Successful Hungarian Dishes Need Lavish Use of Paprika

Hungarians have a flair for making food good. One indispensable ingredient lavishly used is paprika. The Hungarian housewife doesn't sprinkle it on. She measures it by the teaspoon or the tablespoon.

You too, can prepare chicken with the flavor and charm characteristic of Hungarian cookery. Use the easy recipe below, and you, like the Hungarian housewife, will consider your cooking a labor of love.

**HUNGARIAN CHICKEN FRICASSÉE**

Ingredients:

- 1/2 cup butter or margarine
- 1 broiling, or frying chicken (have breast quartered and thighs and legs halved)
- 1 cup chopped onion
- 1 clove garlic, minced
- 1 cup diced celery
- 1 cup sliced carrots
- 2 cups uncooked fresh, frozen or canned peas
- 2 teaspoons salt
- 1/2 teaspoon black pepper
- 1 cup water
- 3 tablespoons flour
- 3 tablespoons cold water
- 1 cup water
- 1 1/2 cups uncooked white rice
- 1 1/2 teaspoons salt
- 3 cups water
- Paprika

Melt the butter or margarine in a large skillet. Wash the chicken in cold water. Pat dry. Brown in the hot fat, using

spoons to turn the chicken as it browns. Add the onion, garlic, celery, carrots and peas. If canned peas are used, add them after the other vegetables have cooked until tender. Push the vegetables to the bottom of the skillet so the chicken is on top. Add the salt, pepper and one cup of water. Cover and cook over a medium heat 45 minutes or until the chicken and vegetables are tender.

Remove most of the pieces of chicken from the skillet. Pour the three tablespoons of water over the flour. Blend the water and flour to make a smooth paste. Gradually stir in the one cup of water. Stir some of the hot gravy from the skillet into the flour mixture. Then slowly stir into the gravy in the skillet. Cook, stirring, until the gravy thickens. Serve over hot cooked rice. Sprinkle paprika over the chicken. To prepare fluffy white rice: place the rice, 1 1/2 teaspoons salt and the three cups of water in a two-quart saucepan and bring to a vigorous boil. Turn the heat as low as possible. Cover and leave over this heat 14 minutes. Turn off heat. Leave lid on 10 minutes. This recipe makes eight servings.

### Salt Spring Island Future Home Of Mr. and Mrs. Robert Cameron

Retirement in the Gulf Islands lies ahead for Mr. and Mrs. Robert Cameron, 1302 Overlook Street, who leave Prince Rupert on tomorrow night's boat after nearly 30 years in the city.

The veteran Canadian National drydock employee and his wife will live at Ganges, Salt Spring Island, the home of their son-in-law and daughter, Mrs. Peter Cartwright. Mr. Cameron retired on super-annuation last month as superintendent of the CN drydock here.

The popular couple, who were both active in community, church and Masonic circles in the city came to Prince Rupert from Montreal in 1925.

Mr. Cameron was born in Scotland and came to Canada in 1913, settling in Montreal where he was joined by Mrs. Cameron who arrived from Scotland the following year.

Mr. and Mrs. Cameron were married in Montreal and have

four daughters, Winnie, Mrs. Cartwright, Betty, Mrs. Morley Patterson of Ocean Falls, Kitty, Mrs. Sam Currie, Jr. of Prince Rupert and Jeannie, Mrs. Ray Donnelly of Swift Current, Saskatchewan.

Mrs. Cameron has been an active member of the First Presbyterian church here since 1925, where she taught Sunday school and assisted the mission band.

She holds an office in the Eastern Star, is a member of the Canadian Club, and was very active in the once popular "Story Hour" a civic undertaking, organized by Mrs. Joseph Mandy.

Mr. Cameron is a past master of the Talmpean Lodge No. 58, past president of the Burns Club, and ex-member of the Rotary Club.

He has been a very active member of the First Presbyter-

ian church, where he was on the board of managers and secretary of the Sunday school for many years.

Mr. Cameron was also an active worker in the Prince Rupert Boy Scout movement for eight years and was chairman of the group committee of the Conrad Street group and vice-president of the Prince Rupert Scout Association.

He was also instrumental in organizing the Ladies Auxiliary to the Scouts. Mrs. Cameron who belonged to the Scout Auxiliary announced the WA has done wonderful work in the Conrad school district, raising money to send Scouts to Ottawa and financially assisting in Jamborees.

Besides taking part in social and civic organizations, Mr. and Mrs. Cameron have been energetic boosters of Prince Rupert. Taking great pride in their home and city, they produced one of the most beautiful gardens in Prince Rupert.

The garden, surrounded by lawns in front and back of the house, is the effort of eight years of hard work and contains more than 1,000 varied bulbs.

Several years ago, when prizes were given the best gardens in Prince Rupert, sponsored by the Wartime Housing Corporation, Mr. and Mrs. Cameron won \$25 first prize for the best garden in their district.

### BABY'S COLDS

Help Nature To Fight Them Off

Medical science knows there is no such thing as a cure for colds — only Nature herself can do it. So when baby's sniffles, or stuffy breathing warn you of a cold's presence — cooperate at once with Nature.

See that baby is kept warm, gets plenty of sleep and take extra care that the bowels are thoroughly cleaned of harmful wastes. To do this without upsetting baby's whole system and further weakening it, try Baby's Own Tablets. Mild, yet act promptly in getting rid of irritating materials that make baby restless and feverish.

One Nova Scotia Mother says: "My baby of 20 months caught a nasty cold so I tried Baby's Own Tablets and she threw this cold off quicker than ever before. I certainly am for Baby's Own Tablets from now on."

Equally good for colds and coughs, and new results from irregularity at feeding time, for constipation, digestive upsets and other minor infant troubles. Taste good and are easy to take (not a package today).

### Nickelodeon Dedicated As Movie Shrine

PHILADELPHIA (AP) — An old nickelodeon, where for a dime you see the silent movie epics of yesterday, started business here today as a shrine to the motion picture industry.

Hollywood stars by the dozen, many of them too young to remember silent movies, helped dedicate the replica of an old-fashioned movie house — forerunner of today's film palaces — at the Franklin Institute Tuesday.

William Goldman, Philadelphia film magnate, who operates several downtown theatres, donated the life-size nickelodeon to the Franklin Institute.

"I'm grateful," actor Charles Laughton told officials of the museum, "that your solid institute has made us the motion picture industry respectable."

Exact in every detail, the nickelodeon will show venerable silent movies daily, with the best changing once a month.
