

Elder Daughter Of Prince Rupert MLA Patricia Margot Brown Wed At Victoria

Standards of white stocks, gypsophila and pink and white carnations with tall candlesticks holding white candles, formed the wedding setting in Central Baptist church, Victoria, August 1, when Miss Patricia Margot Brown, elder daughter of A. Bruce Brown, MLA and Mrs. Brown of this city, and Philip Gordon Ney, son of Mr. and Mrs. R. O. Ney, Victoria, were united in marriage.

Dr. J. B. Rowell officiated and organ music was played by Clara Mary Chapman. During the signing of the register the 23rd Psalm was sung by Miss Shirley Russell.

The bride, given in marriage by her father, chose a gown of white Swiss organdy styled with floor-length, three-tiered skirt, embroidered in delicate flower and scroll design and fitted bodice of plain white organdy with tiny cap sleeves and an inset of pleated embroidered organdy framing the neckline in a soft V. A coronet of seed pearls and brilliants held a three-quarter-length veil of misting tulle and the bride carried a shower bouquet of pink rapture roses, stephanotis and white-edged bebe ivy.

Maid of honor, Miss Rose

Marie Hartwig, RN, daughter of Mr. and Mrs. Elmer L. Hartwig of this city and former schoolmate of the bride, wore turquois organza-over-white parchment taffeta. Bridesmaids Miss Judy Brown and Miss Sally Ney, sisters of the bride and groom, chose pink organza-over-white taffeta. Their coronets and headbands were of feathered carnations and they carried bouquets of feathered carnations and swansonia.

Best man was Bevan Horton. The groom's brother, Hugh Ney, with Hans Froese, ushered the guests to pews marked with pink and white stocks and white ribbons. Master Douglas Seldon was the ring-bearer.

A reception was held at Old England Inn, Victoria, where a three-tiered cake topped by a miniature bouquet of pink rose buds and white sweet peas was flanked by candelabra and cut-glass bowls of the same toned rose-buds and sweet peas.

Mrs. Brown, wearing silver-gray brocaded taffeta with pink and black accessories and Mrs. Ney in navy and white ensemble, assisted in receiving guests.

Toast to the bride was proposed by Dr. George Seldon of Vancouver.

Later, Mr. and Mrs. Ney left on honeymoon in eastern Canada. They will travel east by train and motor home through the United States. For travelling the bride wore a sheath dress of pink embroidered tulle with duster coat of green linen in the same tone as the embroidery of her dress. Her hat was soft beige-pink and her accessories in green.

On return, the newlyweds will live in Vancouver where Mr. Ney is a medical student at the

University of British Columbia. Out-of-town guests attending, including many relatives and friends from Canada and the United States were Mrs. T. W. Brown and daughter Anne, of Vancouver and recently of this city and Mr. and Mrs. C. J. Carter of Prince George and formerly of Prince Rupert.

The bride's parents, her sister Judy and brother Peter returned home from Victoria Sunday night by car.

Miss Hartwig arrived in the city Thursday by plane following the wedding, for a two-week holiday with her parents at 1725 Atlin Avenue before returning to Cleveland, Ohio where she is a nurse at the University hospital.

Teen Talk

Our Teen Club Summer Program got off to a rolling start on Friday night when we had a mass meeting followed by a dance. At our meeting we discussed our plans for the trip to Kitimat and also the lack of support we were getting at our meetings and activities.

We tried to find a solution to this. An example of this was seen last Friday night—about 15 teens turned up for the mass meeting—within a half hour of the meeting 25 other teens who were not at the meeting came to the Centre solely for the dance.

The same people seem to be doing all the work in our club why can't we get some more of you teens out there to come and help plan your own fun? Some of the teens seem to find our activities dull!! If you don't care for our plans why don't you get to the meetings and say so—that's what our meetings are for.

We need more teens at our meetings so we can have a proper meeting. Watch this column to find out about the coming Teen Club events.

I'm sure I can say that the trip to Kitimat was "successful". Everyone seemed to have a wonderful time. Some of the teens who have been there earlier were quite surprised to see how much it had grown in such a short time. Others, like myself, who were there for their first time, were fascinated by the "mass building" of homes and of the monstrous smelter plant.

We also went to see some of the past "Rupertites", dancing on Rick Forward's "back Porch" and then I went to see Arleen Webster. According to these kids Kitimat seems to be quite a "friendly" place! After a "long" and "hearty" meal we boarded the train to return home. I think everyone had fun on the way home, especially Paul Jensen and Laurie Evans who really came to life then!!!

DANCE FRIDAY

"Outdoor Dancer" this Friday Diana Davidson is planning this dance again. It is to be just like the one we had planned before. Diana would like some teens to help decorate, so bring your supplies to the Rotary Tennis Courts between 6 and 8 pm. before the dance.

Remember the fun the last one was—even if we did have to hold it inside. So remember Friday, August 10 at the Rotary Tennis Courts. The dance will begin about 8:30 pm. It's a "Hard Time" dance so dig out your cottons and jeans. Don't worry there'll be an orchestra and refreshments!!!

This Sunday the Sunnies schedule says, "We're going on a mass picnic to Salt Lake". Let's get a good turn out, ok! Be at the ferry dock at 2:00 pm. Bring your supper and your bathing suits!!!

Remember the "OUTDOOR DANCE" at the Rotary Tennis Courts this Friday at 8:30. Also remember to be at the mass picnic, Sunday. Be seeing you!!!

STEWART — Portland Canal Chapter No. 16 Women of the Moose have been experiencing some trouble recently with a few of their senior officers leaving the district necessitating replacement. On Wednesday, Aug. 1st, three new officers were installed by Graduate Regent Edith Wilkerson, Mrs. M. McKay was installed as junior regent, Mrs. Peggy Michell, as recorder and Mrs. L. Meneghelli as treasurer. A social evening was held under the chairmanship of Mrs. Ruby Svedberg, chairman of the Moosehead Alumni. A special prize was won by Mrs. Hazel Tooth and a laugh-provoking drawing contest was won by Mrs. Verda Herman on the subject "A Donkey."

The Stewart Board of Trade held a meeting Thursday, Aug. 2nd in the office of the secretary R. Bell, with W. R. Tooth, presiding.

Various matters of vital interest to the community were discussed and it was decided that meetings should be held more frequently in the future as the secretary pointed out that the correspondence was piling up at an alarming rate.

Reports recently received indicate that the ground survey, on the Cassiar-Asbestos-Stewart highway,

is making good progress. The recent high water inundated part of the airstrip, and representations are being made to the provincial government for an extension of the wing dam

on the west bank of the Bear River. The board is looking forward to the visit of members of the central British Columbia Boards of Trade who are due to arrive here, by air, on Aug. 13.

Silver Tip Mining Company is building ore bunkers at the property and Missouri Flats in preparation for the shipment of ore to the Slibak-Premier Mill. This property continues to show good results from all reports received here.

News that the Morris Summit Gold Mines Limited may again take its place as an operating property is cheering to the community. With the reorganization of the company under the B. C. Securities Act this leaves the company free to grant options to the Newmont Mining Corporation of Canada on one million shares of the

company's creditors have settled their claims on a basis of five cents on the dollar. One cheque for 13 cents was shown to the writer. Mr. W. T. Forrest, B. C. Land Surveyor, is presently at the property resurveying the claims.

Mr. and Mrs. Jack Brett returned for a month's stay while Mr. Brett is working for Burt Brothers of Vancouver, filling in for Ted Hole who is now on holiday. Mr. and Mrs. Brett have been renewing old acquaintances

The rash caused by poison ivy can sometimes be helped by the use of calamine lotion, compresses soaked in epsom salt or baking soda solution. It is wise to learn to recognize the plant and then avoid it.
