Landu LINSUCCESSION.

Try For New 'Mile' .6 Seconds Off Mark

MELBOURNE, Australia (AP)— Lanky John Landy, world's fastest miler, ran a blazing 3:58.6 in a special mile race at Olympic Park today that missed his world mark of 3:58 by six-tenths of a second.

A heavy track, soaked by any smashing his record.

As it stands Landy now holds do it. the world's three fastest miles. "It was very disappointing get-He ran his 3:53 in June, 1954, ling so close, but I realized other 3:58.6.

ertshimself during a 59 first quarter when he trailed Geoff HALF IN TWO FLAT Warren by four yards. At the Landy won the race by 55 yards three-quarter mark, however, over John Murray. HIS FEET ARE FLYING, but this German racer is getting nowhere fast. The endless, conveyor-belt track he's running on is timed to keep the runner in the same spot. Installed at the Institute of Sports of Hamburg University, the belt is a testing rather than a training device. It enables doctors to check bodily reactions of athletes by means of wires attached to the racer and connected to various meters.
