head off last night as Prince Rupert Little Theatre Association continued to improve on its

capers in "See How They Run." Director John Robertson said that apart from his humorous introduction at the opening of the three-act farce, his job was done. The actors in the ribald comedy, dealing with hi-jinks in an English vicarage, have got / their parts down pat and are suftheirntly reliable to carry on, Mr. Robertson said.

All car policies are the same ... it's who you buy from that counts!

It's a fact! Under British Columbia law, the printed conditions of every car insurance policy are identical. They all offer the same features. However, when you buy it through a qualified insurance agent or broker who is an independent businessman, you not only get protection but year 'round service as well!

Your insurance agent works hard to wave you time, money and worry, and he's ready to assist you the moment you call. He can help you select the coverages that best suit your requirements and adapt the policy to your particular needs.

In case of loss, just phone your agent. He will know what to do. His personal guidance and years of experience can be of real help to you.

Consult your agent or broker regarding all your insurance problems.
