# REPORTED "STILL SERIOUS"

Although showing "slight improvement," the condition of seven-year-old Douglas Vickerman, injured in a traffic accident Wednesday, is "still serious," his doctor said this afternoon.

The boy was described as "very confused," and has been unable to recognize his parents. However, he regained conclousness just hitter incon yesterday after suffering a fractured skull and severe chest injuries when in collision with a car on Seventh Avenue.

A student of King Edward school, Douglas is the son of Mr. and Mrs. Stan Vickerman, 111 Seventh Avenue East.
