More School Spirit Needed

WHERE has our school spirit gone? It seems to have been lost, or at least it is not very much in evidence. Apathy and indifference are all too common. Something must be done about it, for loyalty to the school, interest in its concerns, eagerness for advance in its affairs, are all necessary if we are to develop that intangible thing which we call

We have heard of schools where every new project is backed enthusiastically, not by the faithful one or two, but by the whole student body.

Perhaps we have not yet learned to value our school and what it means to us. We must realize that nothing worthwhile is achieved without effort.

We all want a good school and we all want fun, but only if we pull together in comradeship and floyalty, can such be accomplished.
