OF PRINCESS, TOWNSEND OFF

LONDON an-The Hundry newspaper The People says the remance between Princess Margaret and RAF Group Capt, Peter Townsend has ended.

"The romance is off," The People says, quoting "circles close to the royal household." "Townsond was told some weeks ago, according to this authoritative report, that any expectation he may have en-

tertained about marrying the Princess cannot be fulfilled." Townsond now is air attache, of the British enthassy in Brussels. British newspapers have been reporting a remance between him and the Princess for several months.
