who does the Mayor think he is? When Mr. Black has warned us of the possibility of a power shortage in the near future, and offered to do something about it, if kept on as supplier. Are we going to gamble on another four years in trying to get the unwilling Commission in? Let's use common sense in this.

The Commission certainly has, its place, and is a wonderful I speak from experience. But let's remember that Prince Rupert is isolated that respect.
