WASHINGTON (b) The Federal Trade Commission Sunday alleged a three-way conspiracy to fix prices in the Paget Sound kalmon industry,

It filled a complaint accusing carners, vessel owners and fishermen and restraining salmon catching in the sound area in violation of law. Specifically named in the complaint are the Paget Sound Balmon Canners Inc., Seattle, an association of canners and. packers; Purse Seine Vessel Owners Association, Tacoma,

comprising about 150 yessel owners, and Local No. 3, Pishers

men and Allfed Workers Division, International Longshore-

men's and Warehousemen's Union, Scallle, representing union fishermen employed in the area by vessel owners. The complaint alleges that actions of these groups "have the enpacty" to increase the cost of salmon to the consumer. The area's 1984 salmon eateh had a wholesale value of \$12,000. 000, the commission said.
