Healthy Change Occurring In North Rotarians Told

Speaking to the Prince Rupert Rotary Club at their weekly luncheon yesterday Major W. C. Poulton, OBE of the Salvation Army head said that he felt a healthy change in the trends of the North.

Instead of the old idea of taking the country for what it could bring in gold, men were now investing their lives in the area, he said. Improvement of the living conditions in the area were being brought about by these changing trends, he added.

The vitality of a community can be judged by its cemetery, the major said.

A letter from the Ketchikan Rotary Club seeking support for Ralph Bartholomew as District Governor was read to the club, and unanimous support was voiced.

While Robert Circle and James Hebb have volunteered their services as instructors, there is a dearth of instruments, Mr. Smith reported.
