Saturday Sermon

By MRS. CAPT. ROBERT McKERRACHER

The Salvation Army

"RELIGIOUS INDECISION"

I Kings 18: 21: "And Elijah came unto all the people and said, How long halt ye between two opinions? If the Lord be God, follow Him; but if Baal, then follow him." And the people answered him not a word.

This text is taken from a dramatic story that presents contrast between Elijah the servant of the true God, and the prophets of Baal. It was an hour of destiny.

The contest emphasizes the fact that religion requires decision.

Indecision is Unreasonable

"And whosoever was not found written in the book of life was cast into the lake of fire."

So if you would rather spend eternity in heaven than in hell

sins be as scarlet, they shall be as white as snow; though they future too. John 3:3 "Jesus an-

sweered and said: "Except a man be red like crimson, they shall be born again, he cannot see the kingdom of God."

"There is much to be thankful for and much to be done," Bishop Watts said in giving his annual report on the activities and needs of the Diocese. He added that there was a continual shortage of clergy and women workers were also in demand. However, he expressed the view that as time went on all needs could and would be met.

In his reports, Bishop Watt also gave an account of the new churches in Castle and Kitwanga Valley which recently had been consecrated.

The last day's meeting was opened with prayer by Miss Phoebe Bulmer, incumbent of St. Peter's Anglican church, Seal Cove while noonday prayers and address was given by Bishop's Messenger Miss Mary Rock.
