IN MEMORIAM

WELLS In loving memory of our dear husband and father, Peter Wells who passed away Sept. 17, 1950.

Gone is the face we loved so dear,
Silent is the voice we loved to hear.
Too far away for sight or speech,
But not too far for thought to reach.
Sweet to remember him who once was here,
And who, though absent, is just as dear.

Wife Annie and daughter Stella. (218p)

At The CURLING CLUB

By BOB RUDDERHAM

In order to have the maximum turnout for the work parties at the rink, it has been decided that regular nights for these jobs be set so members will be able to go out to the rink and be sure that someone will be there to show them what needs to be done.

So, starting tonight, every Tuesday, Wednesday, and Thursday will be work nights for those who can spare a few hours and I believe that there are none of us who can honestly say that they can't spare the time.

The membership will also be advised by mail shortly that the semi-annual meeting will be held on October 3. This is about two weeks earlier than ordinary but it will be necessary to hold it then as we intend to get started about the middle of the month and there are lots of things to be decided upon. The choosing of rinks, the system of draws, the hours and days to be set for the mixed and non-member curling, are just some of the issues that have to be straightened out. This is the time to bring out those bright ideas.

Another good way to help the club would be to have each member make sure that he is in good standing. Get your dues paid now and give a big assist to that hard worker, Bert Field, our Treasurer, whose efforts on the club's behalf are almost monumental. Looking after the finances of a club such as ours is a big job but it shouldn't be necessary for the treasurer to hound members for the dues that rightly belong to the club. In Prince George, any member of the club who hasn't paid his dues by the date set by the Executive is automatically in default and his membership is automatically open to anyone who wishes to curl. All that is necessary for this non-member to be able to curl is to pay the dues in place of the member in default. This would be a good motion at the semi-annual meeting and it might be a good one to incorporate in our constitution. What do you think?

With all the good weather we have been enjoying lately, it is hard to realize that curling is so close but come one of these mornings, there will be frost on the ground and a nip in the air, and we will all have the fever again. Just think how nice it will be to come off the ice a winner after a hard fought game and have the other side practically crying on your shoulder telling you how lucky you were to win that one. This is music sweeter than the crack of the rocks and the swish of the brooms!

Bilko Most Valuable

LOS ANGELES (AP)—Steve Bilko has been named most valuable player in the Pacific Coast League for the third consecutive year.

The slugging first baseman for the Los Angeles Angels, who hit 56 home runs, was chosen Sunday by a 6-2 vote of the eight chapters in the PCL baseball writers association. The other two votes went to San Francisco's Leo Kiely, who ran up a 21-6 record pitching almost entirely in relief.

Named to an all-star PCL team by the 60 baseball writers and broadcasters participating in the voting were:

First base, Bilko; second base, Ken Aspromonte, San Francisco, (now with the Boston Red Sox); third base, Jim Baumer, Hollywood; shortstop, **Buddy Peterson, Vancouver**; left field, Bill Renna, San Francisco; **centre field, Len Green, Vancouver**; right field, Joe Taylor, Seattle; catcher, Bill Hall, Hollywood; pitchers, Kiely; **Morrie Martin, Vancouver**; Jim Grant, San Diego; and George Witt, Hollywood.

Snead Takes Dallas Open With Ten Stroke Margin

DALLAS (AP)—Sam Snead, who says he wants to win a tournament a year until he's 50, then retire, took the one for 1957 Monday with the widest margin anywhere since 1955—10 strokes in the $40,000 Dallas Open.

Admitting to being 45 after he had wound up with a three-under-par 68 for a 264 total over 72 holes and grabbed the $8,000 first money, Snead was winning his 96th tournament according to the Professional Golfers Association record book.

"I have won over 100 tournaments," he commented. "The PGA isn't counting a flock of tournaments I have won over the years."

Toronto's Al Balding was eliminated Sunday after shooting 83 on the third round for a 225 total. The cutoff for the professionals was 218.

Snead went into fourth place among the money-winners although he has participated in only 12 of the 32 tournaments this year. He has earned $28,260.

DETROIT (AP)—Bobby Layne, Detroit Lions' quarterback, was arrested early today on a drunk driving charge.

Trumpet Player Dies at 28

NEW YORK (CP) — Trumpet player Bobby Styles, featured with the Les Brown band, died Monday during what police called a vodka and heroin bringe. He was 28.

BRAMPTON, Ont. (CP) — Jack Showers, Victoria Shamrocks 18-year-old speedster, showed how lacrosse should be played Monday night when he broke out of his own end to score the goal that gave the Rocks an 8-7 victory over Brampton Excelsiors and a tie in the Monto Cup series.

MONTREAL (CP) — Shortstop Mike Baxes of Buffalo Bisons has been chosen the International League's most valuable player for 1957.

ST. LOUIS (AP)—Pitcher Frank Barnes, owner of the lowest earned run average this season in the American Association, was purchased Monday from Omaha by the St. Louis Cardinals.

Barnes, a 29-year-old right-hander, compiled a 2.41 e.r.a. and had a 12-10 won-lost record at Omaha, a Cardinal farm club. Barnes would not be eligible for world series competition should the Cards overtake the Milwaukee Braves.
