### Crowd Sees Boat Races

impromptu outboard races were staged yesterday atternoon by the Prince Rupers Outboard association when cars full of spectators lined up on the Canadian National dock in anticipation for the scheduled

·However, due to uncertain weather the races were cancelled

The three races, no results of which were obtained, were arranged for the Sunday afternoon crowd by Dave Yule, official timer and Frank Baldwin. The races were run off from - the west end of the CNR dock to the CPR dock and back again, using Spud Ballinger's boat as a turning buoy.

In the third race, while rounding a sharp corner Larry Eby was flipped out of his boat into the icy water. Prompt action by Mr. Ballinger had Eby out of the saltchuck in record time.

Weather permitting the regatta will be held next Sunday.
