Are you paying too much for drugs?

Canada has no less than 200 drug manufacturing companies! Are they makers of miracles or pill profiteers? If you have ever been shocked by the cost of a prescription, there must be a lot of questions you would like to ask about the prices and effectiveness of modern drugs. Most of the answers to your questions are contained in the Star Weekly's revealing article, "Are You Paying Too Much For Drugs?"

"WHAT WILL THE PHID PIPER SEE?" The fascinating story of the rocket that will be launched next year to apy on atom contres behind the iron curtain.

"YOU CAN'T KEEP A BAD GAG DOWN". Milton Borle's comical confession.

PLUS short stories, comics, a novel, entertaining picture articles and other interesting reading matter. All in this week's Star Weekly. Get a copy today.
