Co-Op site suggested for ferry

City Council has made tentative choice for a landing site for a ferry that will connect Prince Rupert with the \$7,000,000 airport, now nearing completion on Digby Island.

Council last night recommended a site near the Prince Rupert Fishermen's Co-Operative association plant, and stipulated that any private operator may apply for the ferry

The Co-Op site was given the Government Grain Elevator which had been recommended by city consultants.".
