Not a word about how to beat a 3-First Presbyterian Churdiamond contract three tricks or a 2-club contract ches, and held in the four tricks. Both Sides Vulnerable

Admittedly, it is satisfying to beat a 4-spade contract one trick, by a rare and brilliant play; which comes up about once in five years. But there is a satisfaction, too (perhaps of a more) mercenary nature,) in beating an adverse 3 diamond contract 800 One thing to remember about what may be called "practical"

Mr. Masters won with the ace and cashed the ace of diamonds. Now he played the jack of clubs and followed with his last club to Mr. Dale's queen. He ruffed the club return with the queen of diamonds, completing a 3trick set. Not too bad a result on a hand where the "defenders" would have found it difficult to make one-odd at any contract.

VANCOUVER @-The Vancouver prosecutor's office is considering a charge against the Vancouver Symphony Society for violation of the Lord's Day Act. A detective and a policewoman bought tickets to the symphony concert Sunday and the city prosecutor's office now is considering their report.
