gave the meeting a most complete report on the doings o the Ice and House Committee He mentioned that all'the recommendations made at the enc of last season in connection with his committee had been attended to and then he elaborated to some extent on the other work that had been done to date to get the rink in shape for the coming season. There were a few names that we could mention here that had put in a large number of hours but Doug Magazine Award to the most made special mention of Norm Kinslor who had been at the rink, every work night and a few extra besides. Norm even figured his presence at the meeting would be a waste of time, so he went down to the rink instead putting in some time on the counter for the canteen. Jim Georgeson made the mem-

# What every tather should Know

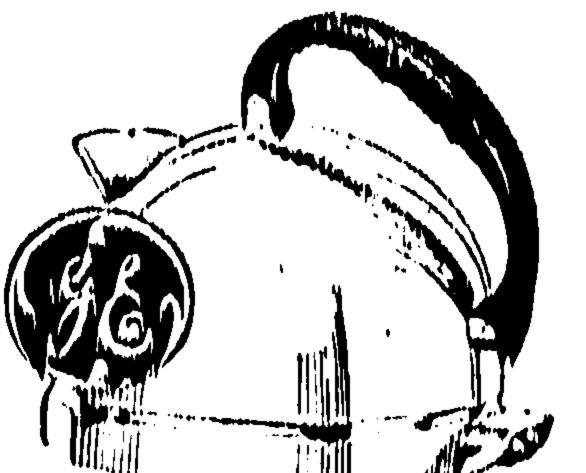

A father (especially a new one) must know a lot of things. Among them, how to stretch the budget to make room for the latest addition to the family. Right here is where he gets an "able assist" from Mother. She has long realised that the best way to make her dollars no further, is to know who's selling what and for how much, around town before she spends a nickel. "To this end, she carefully studies the ads in this newspaper. She knows that here is where most stores put there best ""buy" forward. Dad is quick to see that this makes sense. Man-like, he even claims it was his own idea in the first place. Now both start ALI. their shopping in the pages of the Prince Rupert Daily News. Which makes it a good place for you, Mr. Businessman, to advertise ... if you want to sell in volume to growing families, and newcomers in town.
