NEW FORD TRUCKS

step alegan with more that's new...economy too!

smartest new haulers ever!

Stay-ahead Power! In every engine SIX or V-8, Ford's Short-Stroke design gives you new power, greater economy - every drop of gas goes to work! Step into the lead and stay ahead with more get-up-and-go on the highways . . . extrapull for the byways.

Stop into Performance Profits! Every mechanical feature in new Ford Trucks is truck-engineered for peak performance. under all conditions . . . to keep operating costs down

... keep profits up! Stopped-up Durability! New deep channel "rigidized" frames, new stronger front and rear axles, longer or wider springs on most models all combine for far longer truck life , , , they're built stronger to last longer!

'Way-ahead Styling! Right through the new Ford Truck NEW! Quadri-Boam Headlights make night driving safer. line--modern, clean, fresh styling says, "Step in" to the You see further, with less contrast and you get superior "passing" vision.

NEW! Transmission Options! Fordomatic Drive is available in all Light Duty Models . . . new Transmatic Drive in all Medium and Heavy Duty Models. New Roadranger Transmission is available in most "big jobs" . . . gives 8 closely spaced direct forward speeds with pre-select range shifting.

NEW! Bigger Brakes! Most '58 models feature bigger brake lining area for more positive stopping, longer brake life. New Power Brakes are standard at no extra cost on all 600 Series and up . . . and optional on all other models. NEW! Greatest All-Round Vision Ever! Full-wrap windshield and optional wrap-around rear window provide wider view, for easier manoeuvrability, safer driving day or night.

FORD TRUCKS COST LESS. LESS TO OWN... LESS TO RUN... LAST LONGER TOO!
