What every tather should know...

A father (especially a new one) must know a lot of things Among them, how to stretch the budget to make room for the latest addition to the family. Right here is where he gets an "able assist" from Mother. She has long realised that the best way to make her dollars go further, is to know who's selling what and for how much, around town before she spends a nickel. To this end, she carefully studies the ads in this newspaper. She knows that here is where most stores put there best "buy" forward. Dad is quick to see that this makes sense. Man-like, he even claims it was his own idea in the first place. Now both start ALL. their shopping in the pages of the Prince Rupert Daily News.
