By EASLEY BLACKWOOD

Knowing when to use safety plays is just as important as knowing how to use them. Sometimes the I safe way to play a particular suit is not the safe way I to play the hand as a whole.

tract Mrs. Keen led the king of the safety plays that apply to shifted to the nine of diamonds, they fit into the general pattern

Opening lead: King of spades.

Now with five trumps out-

standing including the king, jack and ten, Mr. Masters had one

Assuming that he could get rid

of his second spade loser on

dummy's clubs, he could afford

The standard safety play with

this trump set-up would be to

lay down the ace of hearts to

guard against the possibility of

Mrs. Keen's holding a singleton

with low cards, the next play

would be to enter dummy and

lead another heart up toward

But Mr. Masters saw that i

spade to bare a second loser in

Unless the hearts were favor-

both defenders followed

one trump loser. He could not

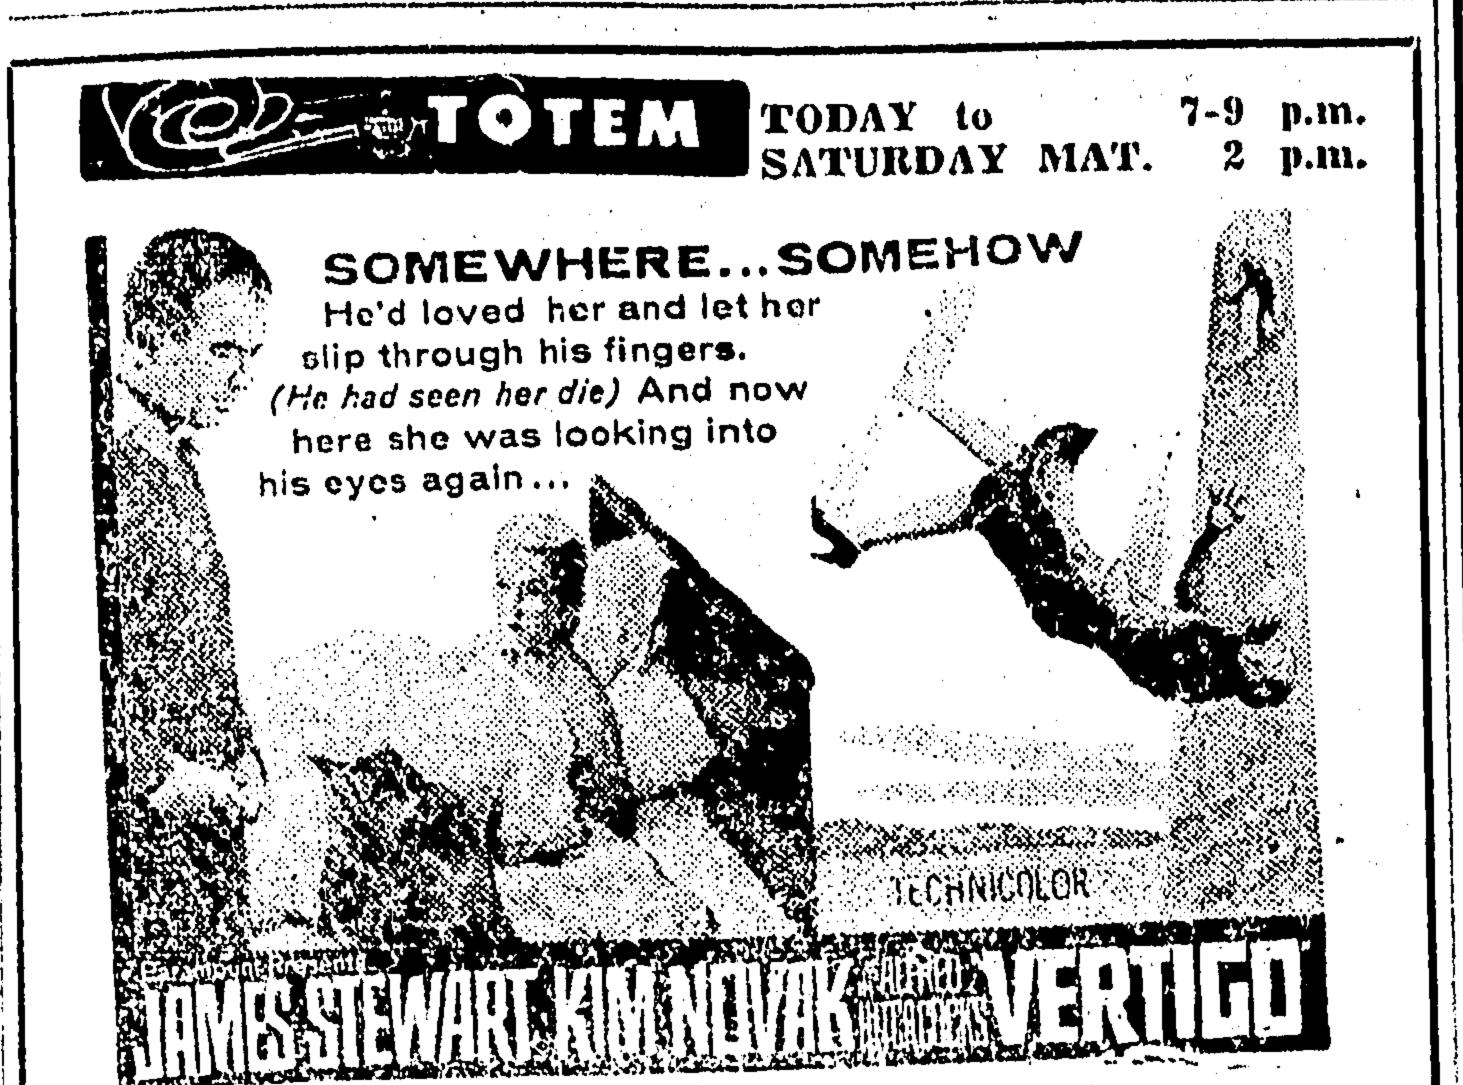

sure trump loser.

afford two.

was taken by dummy's of play on each hand. South dealer Neither side vulnerable NORTH Mr. Dale

At times you just have to be ucky to make your contract. And it is a part of every winning player's game to know how to give luck the best chance to op-
