British ashions Are Ones

By SYLVIA HACK

Canadian Press Staff Writer LONDON ()-Mrs. Dorcen Day, Canadian fashion consultant, comes to Europe for two months every year to see the top collections in France, Italy and Bri-

Now that the last of the collections have been displayed, the lively 60-year-old fashion expert, has summed up the 15 London shows she has seen in one week: "The British clothes are the

ones we have been waiting for." They combine the best of botn worlds, "style and wearability." "It's as though someone was shaken a sieve in the British fashion industry and out came! the newest trends, subtly adapted and easy to wear." CANADA SHOWINGS

Mrs. Day, who has the enthusiasm of a teen-ager, has been a fashion expert for 35 years and her opinions are carefully heeded by fashion buyers. She picks one model outfit from each house to be shown in Canada! and made up in British wools.

"Italy gives us beautiful craft-1 box (8 oz.) elbow macaroni manship and fabrics, France gives us the excitement that keeps fashion an art-but Britain gives us the clothes we can Cook macaroni following the wear." she says.

British clothes are unique, she for the blandness of the macar-| bine cooked macaroni with the | maintains, and their elegance is remaining ingredients; turn into entirely due to the fact that In this recipe a cup of the a 1½ quart casserole and bake they are designed by gentlemen onion soup mix-sour cream mix- in a moderate oven (350°) for 20 to be worn by ladies, "which

SWEET SONG OF SUCCESS-Singing her way out of the shadow of her famous mother has proven a difficult task, but lyric soprano Ethel Barrymore Colt has done it and now she stands in the artistic limelight on her own. The daugher of famed actress Ethel Barrymore, whose picture stands on the piano, Miss Colt has blossomed into a concert singer of note. Happily married, she recently gave a performance at Lewisohn Stadium in New York.

Ulaper Moss Hunt Big Event

BANFF, Alta. (P)—Banss Inllan Days an annual touristttracting celebration, affords a utilitarian opportunity to the women of the Stony tribe. It is the occasion of the yearly moss

A diaper-filler par excellence, the special moss has been gathered and prepared from time immemorial by Stony Indian women for their babies. Before the day of the motor-car a spe-| cial tribal safari was always an | annual event.

The relatively costly gasoline and the problem of food supply in this national park area put an end to the trips until the advent of Indian Days swung the pendulum back to the old cus-

Not only is the moss cheaper, it has definite advantages. I moss-bagged Indian baby never has diaper rash.

Of the main varieties of moss found in the Rocky Mountains and reserve areas in this region west of Calgary, only the kind, time-tested by the tribe, is sought by mother-and-daughter

The same variety grows in other places, but the Stonys have always gone to the Banff region. Commercial research chemists have attempted to is- together have marked a milestone for the Unitarian Service Commoss in order to blend it with baby powders and oils, but the precise formula is still unfound Odorless and as disposable as the most modern diaper, moss is never re-used.
