To choose best gifts for man study how he spends

Make it a Merry Christmas for the man in your life by devoting a little time and study to his favorite leisure-time pursuits, and the equipment he needs to make them more

If he's a sportsman your gift-shopping job is easy, for no hunting, fishing or golfing enthusiast ever has too much gear. The newest improved rifle, the latest type fishing rod and reel or a special golf club he's been coveting will put him in seventh heaven.

If he's a traveling man, or the sedentary, pipe-andslippers type, you can't go wrong with gifts of handsome leather. Men vibrate to good leather like women do to furs. A matched set of luggage, soft lounging slippers or good boots will put him in a glowing mood. Add a collector's pipe or a box of fine cigars and you can count on keeping him happily home on winter evenings.

If you must give him lothes, make it a gift certificate, so he can choose his own. Most men really do prefer it that way, whether you think so or not.

SMART WOMEN choose sports or leisure footwear for their men. This wife has both: glove leather chukka boot lined in shearling and a soft moccasin lounge slipper.

FOR THE OUTDOOR type, here's a sure hit: a featherweight .243 caliber rifle, for deer and small game.

SAVE FLASH BULBS Old flash bulbs can be painted and used in Christmas decorations very effectively.
