It should be quite an undertaking, but if we can organize things it will be a lot easier and Mr. J. B. Scott is busy workshape by July 31. Many of our exhibits are already in good condition for moving so we do not

anticipate too much trouble. However, it will be quite costly and so we hope to have some sort of fund raising project to held defray these expenses, possibly our usual "Tag Day."

The annual meeting of the Museum board is to be held on Wednesday March 26, at 8 p.m. in the Museum, All membership card holders are invited to attend.

Marchi is our membership ' month, and anyone wishing to obtain an annual membership can do so by calling at the museum at \$1 per card.

We have had a great number of visitors again in the past two weeks, Chilliwack, Terrace, and many guests from Kitimat. Mr. and Mrs., Leslie Lennox of Edmonton also called and hope to send us a few Eskimo carvings for display in the new building. Many of our guests are kind and interested and we often receive exhibits from our visitors.

We were also interested to see that Hazelton, B.C. are to have a Museum for a centennial project, we wish them all kinds of luck and perhaps we can be of mutual benefit one to the other before the year is out.

I would like to thank Mrs, C. W. Dixon for spending many hours at the museum helping relabel our Mineral display ready for our new building. She has ! been a great help to me.

## NOW LET'S GET MOVING ON THE BIG THINGS

Bill Vance, your Diefenbaker candidate, is a man who will help to get the big things done-for Skeena.

The son of a magistrate, he was born and educated in Prince Rupert, studied at UBC, then went on to gain, overa number of years, a first-hand knowledge of the mining and fishing industries in north central British Columbia. When World War II broke out, he was among the first Prince Rupert men to enlist and, after serving on the European battlefront, was discharged in 1945 with Captain's rank.

Back in civilian life, his executive ability led to steady advancement in the building supply business. He now manages a Prince Rupert supply firm which has extended its activities to Terrace and Kitimat.

The father of two boys, and active in Church life, 44-year-old Bill Vance identifies himself closely with community affairs. His initiative, courage and intimate knowledge of our Constituency make him the representative we need today at Ottawa. Let's use those outstanding qualities . . . to get things moving in Skeena.
