Mr. Meck couldn't bear to watch. He held his hand over safer it she had simply led a mander, said today that "action his eyes. When he looked again, small heart from her hand at is under way" to provide NATO he saw that the ten had held trick three instead of a diamond forces with new types of weap- and that Miss Brash, showing no to dummy's acc. That would ons hitherto reserved for U.S. particular surprise or elation was have provided protection against trumps to clear the suit. Thus of hearts and Mrs. Keen a singleshe won five heart tricks, five ton dlamond. On this layout of ference after the Pope received diamonds and the ace of clubs,

al-looking, but a necessary

out as quickly as possible, although if the ten did win it would be very pleasant. Miss Brash's main idea was to lose a trump trick, if one needed to be lost, at a time when a trump remained on the board. That trump on the board would stop, the run of the spades and prevent the further shortening of the trump holding in the closed hand. Suppose Miss Brash had played her three top hearts as soon as she got in, hoping for a 3-3 [break. Now, if one defender turned up with four to the jack, her contract would be lost. It is would be hopeless to work on the club suit. Probably her best play would be to run the dia-!

three diamonds left. But Mrs. idual claim but will support a Champion led the king of spades Keen would ruff the fourth lead and continued the suit when of diamonds, as Miss Brash sluf-Mrs. Keen flashed the nine spot; fed the trey of clubs, The certain spade return would ! take Miss Brash's last trump and

away from her club holding to lose two more tricks.

Her actual line of play was _top Mr. Champion holding the jack the cards. Mr. Champion would thave bent the ten of hearts with the jack and given his partner a s was somewhat sensation- have had a club loser at the end.
