

TAKING THE MOVIE PLUNGE — Jon Lindberg, 25-year-old son of Charles and Anne Lindbergh, makes his debut as a film actor in the movie, "Underwater Warrior", which deals with the exploits of the U.S. Navy's famed frogmen. He is shown here on the deck of a ship during location shooting in San Diego, Calif. In private life, the son of the famous Lone Eagle is a director of a firm that does underwater research for Escientists and serves industry as diving consultant. Young Jon once served in the Navy's Underwater Demolition Team unit.

Snake Expert Makes Diary Of Death After Bitten By Venemous Reptile

CHICAGO (AP)—The Chicago Tribune says today that Dr. Karl Schmidt, internationally known snake expert who died less than 24 hours after being bitten by a snake, made a detailed scientific record of the affect of the poison from the reptile.

The Tribune, which obtained the death diary, terms it one of ator emeritus of the Chicago the most unusual documents in Natural History Museum, was medical history. It also said it bitten Sept. 25 as he was examhas learned that a coroner's ining the snake. He died less physician's findings will show than 24 hours later.
