Doctor's Statement Needed For Transfer Of Students A city resident who asked school board to let his child attend

a school in a different boundary will have to present a doctor's certificate to show necessity for such a move.

At its regular monthly meeting last night, District 52 School Harding expressed the opinion Board decided to advise William that only physical aspects Baxter, 300 Third Avenue West, should govern the board's dethat his request for transfer of cision. daughter Heather from Roosevelt School to King Edward |School can only be granted if | he can prove that travelling to and from Roosevelt is detrimen-

tal to the child's health. An earlier motion by Robert | Kelsey to apply this ruling to all such cases was dropped after, K. F. Harding pointed out that the board's policy always had been to keep children withing their respective school boundaries and should not have to be stated again.

The board will also remind R. G. Morre, King Edward principal, as to these policies after it learned that Heather Williams had gained admission and was currently attending King Edward School by telling Mr. Moore she had received permission to

Chairman W. J. Scott opposed Kelsey's earlier motion on the grounds that agreement by schools should be enough to allow transfer of a student. Both Mr. Ritchie and Mr.
