A discussion of the revised secondary school report card and a report from the Parent-Teacher association's committee on accreditation were the highlights of the Booth Memorial PTA regular meeting Monday night, presided by president L. S. McGill.

Principal R. F. Lucas reviewed the changes in the new report that the Board's objectives were card, which he said were of a to raise the salary scale, merit minor nature, with the A to E pay for superior teachers, pay achievement ratings retained as the travelling and removal expenses for teachers coming to

be issued on November 24, the *principal said.

Mr. McGill, who met with the "School Board last June to discuss ways and means of imsaid that the Board was primarily concerned in securing and retaining good teachers Prince Rupert.

In his report he announced

Police Chief Points Finger at Protection" Racket

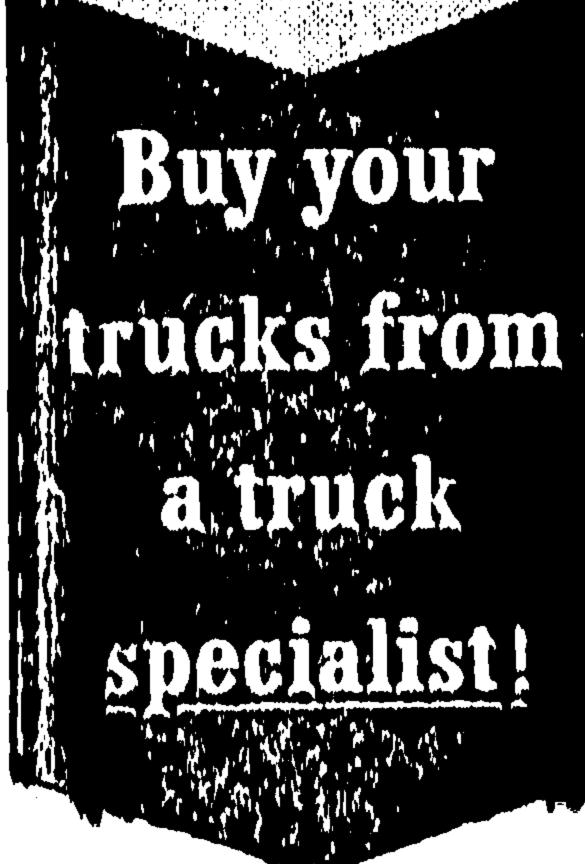

'It's time someone spoke up' says Police Chief Charles St-Amour, Montreal North. 'Protection only exists when it covers all possibilities. And the best example of that is anti-freeze. Sure, lots of people say that almost anything will give for me there's only one brand of anti-freeze that does the complete job. That's "Prestone" Brand. In the cooling system of my car it not only guards against frost, but rust, corrosion, feaming and clogging as well. That's what I call

complete protection.'
The Chief is right. "Prestone" Brand Anti-Freeze is the only anti-freeze with magnetic film that coats every surface of your cooling system. Make sure you insist on "Prestone" Brand Anti-Freeze-identified by the Green Tag that will be attached to your radiator. PN58-15
