B.C. CENTENNIAL COMMITTEE,

Chen Yi Named Chou's Successor

LONDON (AP)—Peiping radio announced today that Chou En-Lai has been frelieved" as Communist China's foreign minister on his own recommendation. The broadcast said he will retain his post as premier.

Vice-Premier Chen Yi was appointed to succeed Chou as foreign minister, the radio said. The actions were taken at a

People's Congress, which began meeting in the Red Chinese cap-, ital Monday. The Red radio said Chen Yi will continue to hold his post as

a vice-premier. He also is a Bombing marshal in the Chinese Army. Chen Yi has been a rising star! in the Peiping hierarchy since
