Freeing of Second-String Reds Under Fire by Sub-Committee

WASHINGTON (CP)—Lawyers throughout the United States today were studying the possible effects of three new U.S. Supreme Court rulings on subversive activities. The rulings resulted in fresh congressional criticism of the high court, and the House of Representatives subcommittee on un-American activities planned to proceed as usual with its investigations.

In a busy session Monday the

here is nothing you can about it. Declarer has just played the hand well. Many times, however, as in today's deal, there IS something

you can do. You can count. played low and Mr. Dale ruffed. He laid down the acc of news when Mrs. Keen dis-

carded a small spade. He now had a sure trump loser, he had already lost a heart, and apparently there was a club loser unless he got a very lucky Red Luxury Liner break in that suit, like finding one opponent with the queen-jack doubleton.

heart and put Mr. Abel in with reported today.

peared to him that if he returned a spade or a heart, Mr. Dale would ruff in dummy and discard a club from his own hand. And he was right. That is what Mr. Dale would have done. But , would not have helped him in [

the slightest degree. The point is, Mr. Abel should have known that. All he had to do was to

count the hand. The fall of the cards had told him that Mr. Dale had started with exactly six diamonds and one heart. By inference, he had started with two spades. This was based on the fact that he had played the queen and acc on one trick. If he had held another spade he would have played the suit differently, since his obvious intention was to strip out both majors before throwing Mr. Abel on

On this reasoning, Mr. Dale club from the closed hand would not help him.

make this simple count. He rediamonds and got the bad turned the jack of clubs and Mr. Dale won with the ace, finessed dummy's ten at the next trick and made his "unmakeable"
