Most Interesting, Colorful In Years By JAMES BACON

HOLLYWOOD (A) — This year's Oscar derby shapes up as the most interesting — and most colorful — in years.

The screen's most beautiful, woman; a long forgotten villain "Sayonara". Audiences will find Faces", and Tony Quinn and of the silent screen; a young it hard to believe that this Anna Magnani in "Wild is the ago; two comics, both discarded of a novice. by TV and both switching to serious dramatics; and the only his umpteenth nomination in ciosa, for "Hatful of Rain", are two Rabelaisan characters left the same picture. But the big others. in an industry that once was surprise is Red Buttons, also in filled with them.
