North half section 16, and Section 21 Township 2, Rupert, South half of northeast quarter, Section 9, Township 1, Rupert,

AREA NO. 5 LL.

Commencing at the northeast corner of Lot 380, Range 1, Coast District, being a point on the westerly high water mark of Phillips Arm; thence west_ erly and southerly along the northerly and westerly boundaries of said Lot 380 to the southwest corner thereof; thence westerly and northerly along Dasterly and of McKenzle Sound; thence northerly, westerly and southerly and westerly boundaries of S.T.L. 6470P to the southerly boundaries at the westerly high water mark of Mussel Inlet, Range 3, Const southerly, easterly and northerly boundaries of said S.T.L. 3723P to the said high water mark of Mussell Inlet, Sheep Passage and Carter Bay to Finsouthwest corner of S.T.L. 3722P; thence northerly along the westerly bound- layson Head; thence due north to the westerly boundary of the watershed of ary of said S.T.L. 3722P ten chains; thence due west to the westerly bound- Carter Bay; thence northerly and easterly following the westerly and northary of the watershed of Phillips Lake; thence in a general northerly easterly crly boundaries of the watersheds of Carter Bay and Carter River to the and southerly direction following the westerly, northerly and easterly bound, northerly boundary of the watershed of Micholpin Creck; thence easterly aries of the watershed of Phillips Lake to the northerly boundary of watershed of Moh Creek; thence in a general southerly direction following the easterly boundary of the watershed of said Moh Creek to the most erly west boundary of Lot 933 (T.L.140); thence southerly and easterly along stanight the to the summit of Mount Stephens; thence easterly along the the westerly and southerly boundaries of said Lot 933 to the most southerly southeast corner thereof; thence due east to the westerly high water mark of Bute Inlet; thence in a general westerly direction following said high. water mark to the outlet of Moh Creek on the right bank thereof; thence lewing the sale watershed to the easterly boundary of Lot 1366 (T.L.3124P); due west to the southerly boundary of Moh Creek; thence westerly in a general northerly and easterly direction following the said easterly high along the southerly boundary of Moh Creek to the southerly boundary, water mark of Mathleson Channel and the southerly high water mark of of the watershed of Phillips Lake; thence westerly along the southerly Desterly boundary of said Lot 1361 to the northwest corner thereof being a the watershed of Shirley Creek; thence southerly along the easterly boundary boundary of the watershed of said Phillips Lake to the casterly boundary of the watershed of Shirley Creek to a point due east of the most easterly of Lot 301 (T.L. 10892P); thence due north to the westerly boundary of the northeast corner of S.T.L. 2001P; thence due west one mile; thence southwesterly in a straight line to the southeast corner of S.T.L. 2001P: thence westerly, northerly and westerly along the boundaries of said S.T.L. 2001P the easterly boundary of Lot 93; thence northerly and westerly following the boundaries of said Lot 92; to the northwest corner thereof, being a point on the easterly high water mark of Phillips Arm; thence in a general northerly direction along said easterly high water mark to the southwest corner Lot 378; thence easterly to the southeast corner thereof; thence northerly and westerly along the easterly and northerly boundaries of Lot 378 and Indian Roserve No. 5 (Matsayno) to the northwest corner of said Indian Reserve, being a point on the easterly high water mark of Phillips Arm: thence in a general northerly direction following said easterly high water mark to a point due cast of the northeast corner of Lot 380; thence west to said corner, being the point of commencement,

Commonding at the southeast corner of Lot 2008, wheen Charlotte Land District, being a point on the northerly high water mark of Masset Injut; thence in a general southwesterly direction following the northerly high count to said corner being a point on the actitherly high water and s.T.L. 1983P to the southwest of said Section 34, 27 and 22, Township of the southwest of said Foother to the southwest of said Foother and s.T.L. 1983P to the said Foother and s.T.L. 1983P to the southwest of said Foother and s.T.L. 1983P to the said stone Struit; thence in a general ensterly direction following many and some west to the western boundary of S.T.I. 1070P; 23; thence contorly following who mandalple of should be some in ligh water mark to the northeast corner of Th. 11934F; these southerly to the westerny following the seasons thereof; thence westerly following the seasons the seasons

the the mathement's easterly boundaries of Townships 11, 7, 6 and 5 to the southeast corner of friend the Bection 12, Township 5; thouce westerly following the southerly boundaries The the faction 12, Township a; unonce westerly following the southerly boundaries of Section 7, Townthe the start of Section C the the Township 5 to the southwest corner thereof; thence westerly following the A the months of Sections 36, 35 and 34, Township 2, to the north-The Power - west corner of Section 84, Township 2; thence due west to the westerly ca themee boundary of the watershed of Yakoun Lake; then northerly in a straight Common the themse of the southwest corner of Section 18, Township 10; thence northerly the the state of Sections 18 and 19 of Township 10 to the A complement northwesterly corner of said Section 19; thence easterly to the westerly the boundary of the watershed of Masset Inlet; thence in a general northerly sollow and northerly direction following the southerly, westerly and northerly Township boundaries of the watersheds of Masset Inlet and Ian Lake to the southerly the the boundary of Lot 1735; thence easterly following the southerly boundaries of Lots 1735, 1736, 1737 and 1738 to the southeast corner of said Lot 1738; thence cheasterlyjin; a straight line to the northwest corner of Lot 1406; thence churly and easterly following the boundaries of Lot 1406 to the southeast corner thereof; thence southerly following the westerly boundaries of Lots

781A, Queen Charlotte District.

west economic and the company woundaries of 6G. Lot 19, Queen Charlotte District (Portion of Lina Island.)

lotte Land District, being a point on the northerly high water mark of Section 78 to the most as the second of the sectority Cillatt Arm, Cumshewa Inlet; thence northerly following the easterly boundaries of the watershed of the Lois River to the northerly and southerly and south wutherly and easterly houndaries of said Wortheast Quarter of Section 35 northwest corner of Lot 918 (Palp Licence 59); thence easterly and southerto the northerly boundars of Fownship 10; thence easterly and southerly ly along the northerly and easterly boundaries of said Lot 918 to the south. following the northerly and easterly boundaries of said Township 10 to the west corner of Lot 846 (Pulp Licence 143); thence southerly, easterly, northsouthwest corner of Section 30, Fownship 4; thence easterly following the erly and westerly following the westerly, southerly, casterly and northerly southerly boundaries of Sections 30, 29 and 28 of said Township 4 to the boundaries of said Pulp Licence 143 to the southeast corner of Lot 2817; northwest corner of the case walf of Section 21, Township 4; thence south- thence northerly and westerly, following the easterly and northerly bounderly to the southwest comper of said ast Half of Section 21, being a point aries of said Lot 2817 to the northwest corner thereof; thence northerly folon the northerly high water mark of Rupert Inlet; thence in a general lowing the easterly boundary of Lot 835 (Pulp Licence 132) to the southerly easterly direction following the high water mark of said Rupert Inlet to the high water mark of Skidegate Inlet; thence in a general northeasterly direcmost southerly high water mark on the easterly boundary of Section 16, tion following said high water mark to the westerly boundary of Lot 338 Township 4; thence southerly following the westerly boundaries of Sections (Pulp Licence 135); thence southerly and easterly following the westerly 15, 10 and 3, Township 4, and Sections 34, 27, 22, Township 12, to the south- and southerly boundaries of said Pulp Licence 135 and Lot 898A (Pulp Inlet; thence in a general southerly direction following said easterly high west corner of said Section 12; thence westerly to the northeast corner of Licence 184) to the southeast corner of said Pulp Licence 184; thence southeast water mark to the northwest corner of Lot 132; thence southerly and east- Lot 804 (T.L. 11506P); thence southerly following the easterly boundary of erly to the southwest corner of Lot 851 (Pulp Licence 148); thence due south erly following the westerly and southerly boundaries of Lot 132, Lot 128 Let said Lot 804 to the southeast corner thereof; thence westerly to the northerly boundary of Lot 918 (Pulp Licence 57); thence easterly, 126 and Lot 124 to the southeast corner of Lot 124; thence due south to the west corner of Timber Licence 24577; thence southerly and/or easterly following the northerly, easterly and southerly boundnortherly high water mark of Bond Sound; thence in a general easterly di- lowing the westerly and southerly boundaries of Timber Licence 2457P, Tim- aries of said Pulp Licence 57 to the southwest corner thereof; thence southrection following the said high water mark to the southwest corner of Lot ber Licence 2458P and Timber Licence 2458P and Timber Licence 2459P to the southeast corner thereof erly following the easterly boundaries of Lot 933 (Pulp Licence 71, Lot 931 being a point on the westerly edge of the bed of Alice Lake; thence due east (Pulp Licence 69), Lot 928 (Pulp Licence 66), Pulp Licence 61, Pulp Licence Commencing at the most westerly northwest corner of T.L. 10642P: to the easterly edge of the bed of Alice Lake; thence in a general southeast- 60 and Lot 899A (Pulp Licence 115) to the southeast corner thereof being a thence northerly in a straight line to the summit of Constable Mountain erly direction following said edge of the bed of Alice Lake to the southwest point on the northerly high water mark of Skidegate Lake; thence southerly being a point on the westerly boundary of the watershed of Charles Creek; corner of Block C of Lot 177; thence easterly to the northwest corner of in a straight line to the northeast corner of Pulp Licence 85; thence souththence norther, easterly and southerly, following the westerly, northerly Block D of said Lot 177; thence southerly following the westerly boundaries erly following the westerly boundaries of Lot 891A (Pulp Licence 183) and and easterly boundaries of said watershed to the east boundary of T.L. 2864P; of Block D and E of Lot 177 to the southwest corner of said Block; thence Lot 889A (Pulp Licence 181) to the southwest corner of said Pulp Licence thence south along said east boundary of T.L. 2864P to the southeast cor- easterly along the southerly boundaries of Pulp Licence 181 ner thereof, being a point on the northerly high water mark of Kingcome Block G of said Lot 177; thence southers to the southwest corner of said and Lot 888A (Pulp Licence 180) to the southeast corner of said Pulp Licence Inlet; thence westerly following the said high water mark to the most east. Block G thence easterly along the southerly boundary of Block G 180; thence northerly following the easterly boundary of said Pulp Licence erly southeast corner of T.L. 10642P, thence westerly and northerly follow- of said Lot 177 to the easterly boundary of the watershed of Yootook 180 to the southwest corner of Lot 887A (Pulp Licence 179); thence easterly ing the southerly and westerly boundaries of said T.L. 10642P to the most Creek; thence in segments southerly direction following said easterly boun-following the southerly boundary of said Pulp Licence 179 to the southeast dary of the said watershed to the westerly boundary of the watershed of corner thereof; thence southerly, easterly and northerly following the west-Craft Creek; thence in a general southerly and easterly direction following crly, southerly and easterly boundaries of Lot 885A (Pulp Licence 178) to the Commencing at the northwest corner of Lot 689 being a point on the the westerly boundaries of the watershed of Benson River to the northerly southwest corner of Lot 895A (Pulp Licence 114); thence easterly and northsoutherly high water mark of Scott Cove; thence southerly following the boundary of the watershed of Kwois Creek; thence continuing in a general erly following the southerly and easterly boundaries of said Fulp Licence 114 westerly boundaries of Lot 689 and Lot 728 (T.L. 5644P) to the southwest southerly direction following the vesterly boundary of the watershed of to the northeast corner thereof; thence easterly following the southerly corner of said Lot 728; thence easterly to the northwest corner of Lot 729 Kwois Creek to the northwest corner of Lot 868 (Pulp Licence 164) to (T.L. 135); thence southerly and easterly to the southeast corner thereof; northeast corner of said Lot 4 being a point on the right bank of the southeast corner of said Pulp Licence 164; thence northerly following thence northerly to the northwest corner of Timber Licence 7515P; thence Takeish River; thence due east to the left bank thereof; thence in a general the easterly boundaries of said Pulp Licence 164 and Lot 866 (Pulp Licence easterly and southerly following the northerly and easterly boundaries of southeasterly direction following the left bank of Tahsish River to the south- 163) to the westerly high water mark of Gray Bay; thence in a general southsaid Timber Licence 7515P to the southeast corner thereof; thence southerly west corner of Indian Reserve . 11; thence northerly and easterly follow- easterly direction following the high water mark of Gray Bay and Hecate following the westerly boundaries of Lot 691 (T.L. 8172P) and Lot 929 (T.L. ing the westerly and northerly boundaries of said Indian Reserve No. 11 to Strait to Cumshewa Head; thence in a general westerly direction following 8171P), and Lot 928 (T.L. 8170P) to the southwest corner of Lot 928; thence the northeast corner thereof being a point on the aforesaid high water mark the northerly high water mark of Cumshewa Inlet to the southeast corner

Commencing at the northeast corner of T.L. 4926, Queen Charlotte District, being a point on Carmichael Passage, thence southerly following the easterly boundary of said T.L. 4926 to the southeast corner thereof; thence westerly following the southerly boundary of said T.L. 4926 to the southwest corner thereof; thence northerly following the westerly boundary of said Timber Licence to a point on the northerly boundary of the watershed of Lagoon Inlet; thence westerly following said northerly boundary to erly and westerly following the coutherly boundary of the watershed of to the said Cape Henry: thence in a general northwesterly direction following said high water mark through Moore Channel, Douglas Inlet, Mitchell. Inlet, Mudge Inlet, Peel Inlet, Inskip Channel, Security Inlet, MacKenzie Cove, Boomchain Bay to Annesley Point; thence continuing northwesterly along the high water mark to Kitgoro Point; thence due east to the southerly said Lot 617 to the westerly boundary of Lot 616 (T.L. 3217P); thence bank of Nimpkish River; thence in a general northerly direction following Channel to a point north 45° west of the northwest corner of Lot 1933 (T.L. 6770); thence southeast to said corner; thence southerly along the easterly boundaries of said Lot 1933 and of Lot 1932 (T.L.6773) to the southwest corner of said Lot 1932; thence south 45° east to the easterly boundary of the watersheds of Security Inlet and Security Cove; thence southeasterly following the easterly boundary of said watersheds to the northerly boundary of the watershed of Inskip Channel; thence easterly following the northerly boundary of the watersheds of Inskip Channel and Peel Inlet to the westerly boundary of the watershed of Braverman Creek; thence northerly following said westerly boundary to a point on the southerly boundary of Lot 36 (T.L.1712); thence easterly following said south boundary of Lot 36 to the southeast corner thereof, being a point on the high water mark of Gillatt Arm; thence in a general easterly direction following said high water mark to Barge Point; thence in a general southerly direction following the westerly high water mark of Carmichael Passage to the northeast corner of Timber Licence 4926, being the point of commencement

6K. Lot 662 (T.L. 1205); Lot 663 (T.L.1206), Queen Charlotte District (Crescent Inlet) 6L. T.L. 1209; Lot 640 (T.L. 1701); Lot 660 (T.L. 1207); Queen Charlotte

District (Logan Injet).

6M. Lot 647 (T.L. 1965); Queen Charlotte District (Darwin Sound). Lot 1940 (T.L. 1292), Queen Charlotte District (Richardson Inlet). AREA NO. 7 --- NORTH COAST

District; thence in a general southwesterly and westerly direction, following following the said northerly boundary of the watershed of Micholpin Creek to a point south 45" west of the mouth of Lizette Creek; thence north 45° east- east to the said mouth of Lizette Creek being the point of commencement.

MATHIESON CHANNEL --- RYNOCH INLET Commencing at the mouth of an unnamed creek approximately three. quarters of a mile east of Hird Point on the easterly high water mark of Mathleson Channel, said point being approximately three-quarters of a mile Kynoch Inlet to the head of said Kynoch Inlet; thence in a general westerly direction following the northerly high water mark of said Inlet to a headland situated approximately two miles southwesterly from the southwest corner watershed of that portion of Kynoch Inlet lying to the east of said headland: thence northerly, easterly and southerly following the westerly, northerly and easterly boundaries of the said watershed to the northeasterly boundary of the watershed of Ellerslie Lake; thence in a general southerly direction following anid westerly boundary to the northerly boundary of the watershed of Quarteha Creek; thence in a general southerly direction following the easterly boundary of the watershed of Quarteha Creek to a point due west of the northwest corner of Indian Reserve No. 3; thence south 45° cust to the northerly high water mark of Roscoo Inlet; thence westerly, southerly and northerly following the high water mark to a point on the northerly extreme ity of a bay approximately one-quarter of a mile south of the head of melags Inlet; thence northerly to the high water mark at the head of said Briggs Inlet: thence northerly and westerly following the casterly and northerly high water mark of said Briggs Thiet to the most easterly southeast corner of Lot 128; thence northerly and westerly following the easterly and north. arly boundaries of said Lot 128 to the easterly houndary of Lat 715 Tal.40808P): thence northerly and westerly following the easterly and northmly boundaries of said Lot 718 to the northwest corner thereof: thence due wont to the southerly high water mark of Ellerslie Buy: thence in a general ensterly, northerly and westerly direction following the high water mark of anid Elloratio Bay to the easterly high water mark of Apiller Channel: thence In a general northerly direction following the easterly high water mark of Spiller Channel to the head of said Spiller Channel; thence in a general nouthwesterly direction following the westerly high water mark of Buller Dunnel to the mouth of a creek draining the watershed of Hunss Zake: thence westerly to the easterly boundary of the watershed of Shass Laket thence in a general northwesterly and southwesterly direction following the iounduries of the watershed of said Binus Lake to the western extraintly of and watershed: thence wouthwesterly following the northerly houndary of d) watershed of an ununmed creek to the point of commensement. 70. PLOBENCE PENINSULA---

Commonoling at a point on the easterly high water mark of Briggs Inlot due south from the most easterly southeast corner of Lot 198. Coust District, Range & thouce south 45° east in a straight line to the easterly
