ELLIOT BREAKS MILE MARK BUT RECOGNITION DOUBTFUL

BAKERSFIELD, Calif. W-Herb Elliott of Australia has run another record-breaking mile race and started another controversy among track officials.

The lanky young miler was clocked in 3:57.9 in winning his specialty at the United States Amateur Athletic Union championships Saturday night, shading the recognized mark of 3:8 set four years ago by his countryman, John Landy. But no one seems to know for certain whether the In-

ternational Amateur Athletic Federation, which must pass on all world records, recognizes mile marks recorded in tenths It was dealing only in fifth of seconds when Landy set his

record four years ago. Landy actually ran 3:59.9, too, but it was recorded as 3:58 because of the IAAF policy.
