SCOUTS PLANNING TOY DRIVE FOR PATIENTS AT MILLER BAY

Fourth Prince Rupert Scout troop is conducting a drive for toys, comic books, crossword puzzles to be given to young patients at Miller Bay hospital. It is hoped there will be enough contributions to provide the patients with toys throughout the whole year.

The drive starts at 2 p.m. Saturday, March 9, and will be concentrated in the area adjacent to First United church. It is requested that only items in fair condition beggiven as the scouts have no facilities for repairing damaged toys.

Scoutmaster Rod Faulkner hopes citizens will help the scouts to do their "good deed" and suggests that people from other districts of the city who wish to help can take toys or donations to the First United Church hall. Alternatively, telephone Commissioner E. A. Williamson at 4536 and arrangements will be made to collect the toys.
