# Dentist Reported Discouraged From Coming To Prince Rupert

## Health Unit Chief Assails B.C. House

British Columbia House in England is not doing the job it is meant to do, Dr. John H. Smith, director of the Skeena Health Unit, asserted at a Union Board of Health meeting in Terrace.

when reporting that "it was gratifying to know that a new dentist would be coming to Prince Rupert in June."

"I understand a second dentist considered coming from England," Dr. Smith said, "but as B.C. House in London did As Job Done of Prince Rupert, he has apparently lost his enthusiasm to come here.

if this is true, that B.C. House ask the city council to release it is not doing the job it is meant from its duties. The decision to do in England."

To fight the shortage of dentists, the Union Board of Health resolved to write Provincial connection with the airport up Health Minister Eric Martin to date. urging that a school of dentistry be set up at University of B.C.
