Pledges Attendance Realizes Need Of Road Project

Highways Minister P. A. Gaglardi or a deputy minister will definitely be here for the conference with Alaska Governor Michael A. Stepovich next Wednesday, Mayor George E. Hills said to-

Mayor Hills said that he had received information that unless Mr. Gaglardi or someone of British Columbia cabinet rank was going to be present at the conference on the Canadian-Alaskan marine highway project, the Alaska governor was not interested in coming.

The mayor said he immediately tried to get in touch with the highways minister in Victoria and finally reached him in Kamloops. He informed Mr. Gaglardi of the situation and stressed the importance of the marine highway to B.C. and to Prince Rupert.

Mr. Gaglardi agreed with the mayor that a high-ranking provincial government official should attend the talks set for 5 p.m. Wednesday in the Canadian Legion Committee Room and said he would do his utmost! to attend personally.

Failing that he would see that! his deputy minister attended. The B.C. Highways department is vitally interested in the \$4,000,000 project which would neau-Haines highway, Mayor
