

MASTER CHEF, MIKE FARANO of Nanaimo, B.C., is one of the busiest cooks in the world making what will be the world's largest cake. The 10,000 pound fruit cake, standing 20 feet high, is being made in honor of British Columbia's 100th birthday in 1958. All of the cake's five tiers will be ornately decorated with more than 20,000 decorations depicting outstanding historic events in the province's first 100 years. Sugar statues of B.C.'s early explorers and statesmen, as well as giant replicas of Nanaimo's famed Basil and the B.C. Legislative buildings are to be placed around and on top of the cake. Farano has been working on the decorations for the last eight months. His object is to make the cake the biggest, the most beautiful and the most tasty ever baked. To help him find the best ingredients and formulas, he has asked the women of B.C. to submit their recipes. When the cake is finished it will be on display in Nanaimo during the summer of 1958. It is to have its own house with an air conditioning system complete with chlorophyll-scented air to take off the heavy smell of sugar and spice. Later, the cake will be cut up into small pieces and sold—the money received to go towards Nanaimo's Centennial project.

Pagliari-Cantafio Vows Pledged at Annunciation

Italian families were joined in marriage Dec. 29 when Miss Clementina Cantafio became the bride of Rodolfo Pagliari in the Annunciation church. Father J. I. McMahon officiated at the morning wedding ceremony.

Principals are the daughter of Mr. and Mrs. Peter Cantafio, 731 Fraser Street who arrived here three years ago from Italy and the groom, who recently came here from Italy, is the son of Mr. and Mrs. S. P. Pagliari of Savuto, Italy.

Given in marriage by her father, the bride wore an ankle-length white gown, fashioned of tulle lace. The fitted bodice, featuring long sleeves and a dainty Peter Pan collar, fell to a full skirt. An encrusted coronet adorned with pearls, secured the full-bodice illusion veil and she carried a colonial bouquet.

Mr. and Mrs. Carmine Briglio acted as attendants.

The bride's sister, little Miss Mary Cantafio, was flower girl and her brother, Frank, assisted Father McMahon at mass.

An evening reception was held in the Sons of Norway hall. Newlyweds have taken up residence at 738 Fraser Street.

Decisions Made in Youth Affect Happiness Later

Decisions made in a person's youth affect the happiness of one's entire life, Rev. A. S. Olson Saturday night told more than 100 persons attending the last service of the "Week of Prayer" held in the Salvation Army Citadel.

During his address, marked for the younger people, Mr. Olson said that youth can accept more readily the challenge to live for God whereas middle-aged people feel too secure in their ways of life. The aged have passed the day of opportunity although they feel their need of God just as well, he said.

Mr. Olson used as his theme, "Remember now thy Creator in the days of thy youth."

Salvation Army Senior Major Cyril C. Clitheroe was in charge of the service.

Two duets were sung by young women from St. Paul's Lutheran church and the Salvation Army.

Rev. Vernon E. McEachern, secretary-treasurer of Prince Rupert Ministerial association reported that total attendance of the six "Week of Prayer" services was more than 500. Total offerings for the six services was \$139.98. After deducting expenses a net sum of \$130.23 is being handed over to the British and Foreign Bible Society in whose aid the offerings were solicited. After Friday night's service Rev. and Mrs. Arthur S. Olson entertained members of the Ministerial association and their wives in their home. Rev. V. E. McEachern moved a vote of thanks to the Olsons for their hospitality.

Jay Perkins returned home to Vancouver this morning by Canadian Pacific Airlines plane, after spending a short visit here as guest of Rev. and Mrs. Lloyd Jackson, 310 Sixth Avenue West.

Francois Lake News

By AGNES H. NEAVE
Daily News Correspondent

FRANCOIS LAKE—The monthly meeting of the Womens Institute was held in Mrs. Partington's home Thursday afternoon. The WI has adopted a little six year old boy in the Solarium in Victoria as the little boy to whom parcels were sent last year has gone home.

It has been very cold for some days with the thermometer hovering between 10 and forty below zero. There was a breeze which made it seem even colder.

Mrs. Jim Van Zanten has gone to Vancouver and Mrs. Michael Remanda has taken over the Janitor work at the school.

Word has been received that Marilyn and Ralph Keefe have a baby daughter in the Royal Columbian Hospital in New Westminster. Her name is to be Linda Anne. She is Mr. and Mrs. John Keefe's 15th grandchild.

Bobby Van Zanten returned to Terrace to return to school there. Mrs. Roberts is staying at the Van Zanten Ranch. Her son Edward Sholander came up by train from Vancouver and is taking Gwen's car back with him.

Ralph Nelson's beautiful bay saddle horse was killed by the train on the track. With him was a colt which was also killed.

Although it's hard to believe, the school bus which serves this district was lost on Monday. When it did not return to Burns Lake in the evening a search

party went out to find it. It had become bogged down on the back road in a deep drift. It was pulled out by two tractors. There was no school on Tuesday as it was too cold to get the bus engine started.

The gates in the Skin's Lake Dam have been opened two feet and the water has been rushing through. Now that the water is nearly up to the maximum there is a 325 waterway round the Circle.

There were three games of hockey played at the Nadina hockey rink on Sunday. The first was between the Nadina Pee Wees who beat the Burns Lake Pee Wees. The Midgets then played, and Burns Lake beat Nadina Lake. The Seniors then played, with Nadina winning one goal and Burns Lake not scoring.

There were 24 at Sunday school Sunday morning. It was held in our home at the Landing to save heating the church. There is such an increased attendance that it has been necessary to divide the class into three, with Hugh Neave teaching the seniors, Sylvia Partington, the intermediate and Virginia O'Meara the juniors. Colored slides of "Daniel in the Lions Den" were shown.

Bridget Headley is spending a week with her uncle, Harold Neave, at the Landing. She is teaching choir singing for the University of Alberta extension department.

Valhalla Lodge Officers Installed

District Deputy of Valhalla Lodge No. 67, Knit Halberg, installed newly-elected officers Thursday night when the group held a regular meeting in the Valhalla hall.

Installed to office were Mrs. Bjorn Wick, chaplain; Mrs. Reginald Webber, inner guard; Mrs. Raymond Montgomery, finance secretary; Mrs. O. A. Johnson, outer guard and Mrs. Andrew Dybbavn, marshal.

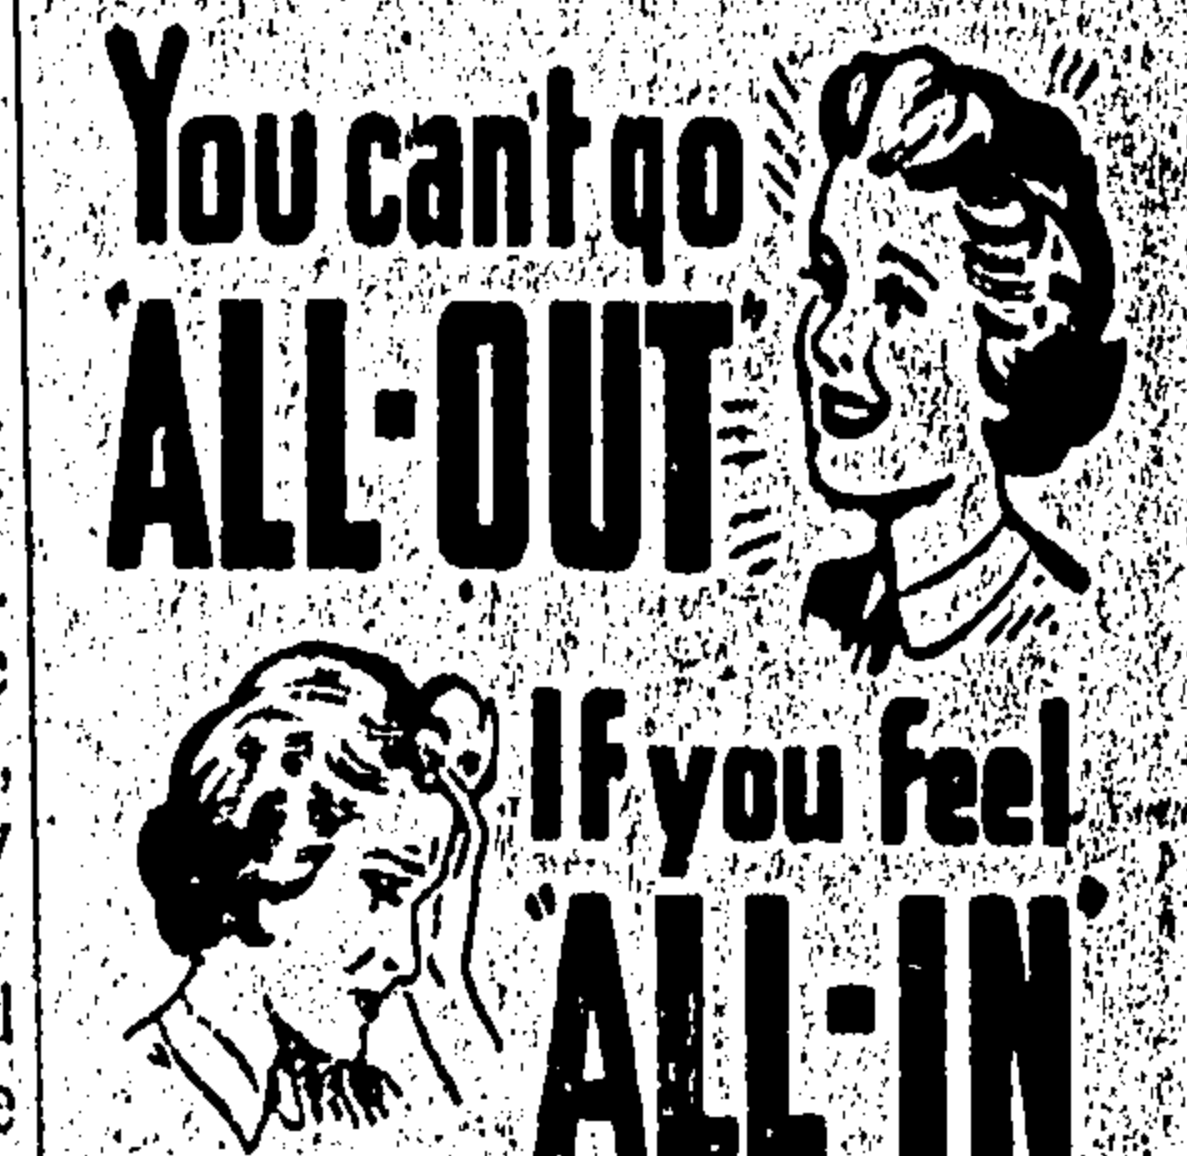

Ingver Morse will be installed as recording secretary at the next meeting.

Returning to office and in attendance were O. A. Johnson, president; Mrs. Stanley Veitch, vice-president and Mrs. Vern Fossum, treasurer.

During the business session, plans were made for a buffet supper and social evening to be held the latter part of January. Mrs. Johnson heads the committee in charge.

O. A. Johnson won the lucky box draw.

Mr. and Mrs. William F. Stone of Kitimat arrived in the city last night by train for a two-day visit. Before returning home they will leave Wednesday morning by plane for Vancouver en route to southern California for a three-week vacation.

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "tired-out" heavy-headed feeling often follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Ask for Dodd's Kidney Pills at any drug counter.
