

JULY FIRST SPORTS

(Continued from Page 1.)

the performance of the Laura F. rendered recalculation necessary to ascertain if her rating in the race had been correctly estimated. Tremendously exciting work was done at the distant mark boats, out of view of the shore spectators, the crowding round

being sensational, such big boats at the Evelyn, Sangra, Eleanor Mac and Rover battling for the right of way in closest neck and neck struggle. It was admittedly a splendid event.

The Races.

In the afternoon the crowds thronged Second Avenue, where the fat races were held. Here, of the music of the Indian band, some pretty lively athletic work was done, as the results and times show. The ten mile race deserves special mention. Its winner, young Ralph Rogers, proved himself a splendid little stayer and deserves the greatest compliment possible for downright pluck and backbone. He had heavy odds against him. He could not have won had Nicholson, last year's champion, not been injured, but young and slight as he is he had an opportunity given him for grit and he showed it. Nicholson, too, comes in for huge credit. A great runner, as Rupert knows, he seriously sprained a tendon in his ankle during the mile race. Injury notwithstanding, he tackled the ten mile and actually managed, after the fifth round, to take over a lap from his most dangerous opponent. The race was Nicholson's had he been suffering less pain. As it was he showed his marvelous pluck and endurance as well as his great speed under extraordinarily adverse conditions. Rogers reaped the victory, and earned it, too, but both men proved themselves as game as the west can turn men out.

The Entertainments.

Empress and Westholme Theatres were packed in the evening. Both provided splendid programs. As the official concert in aid of the sports fund, the Empress concert was well patronized. Following is the excellent program provided, every item in which was worthy of the special mention which lack of space alone forbids:

1. Overture..... Orchestra
2. Song..... H. Fletcher
3. Duet, Mamie and Florie Gray
4. Song..... Mrs. Henderson
5. Duet, Davey and Clapperton
6. Violin Solo..... G. Kearney
7. Aerobatics..... Happy Hoboes
8. Song..... A. Stowell
9. Duet, Mr. and Mrs. Henderson
10. Song..... Miss Ethel Gray
11. Song..... J. E. Davey
12. Song..... Mr. Henderson
13. Song..... W. Whitley
14. Boxing Bout.....

The Prizes.

Unfortunately it was possible to award the prizes won by the athletes in the day's events at the concert, as had been intended. All the trophies were

You Do Not Know

Where to Invest?

Let us tell you. There should be no difficulty about a matter of this kind if you take the trouble to exercise ordinary care and common sense. You would not select an old decaying city whose pulse has almost ceased to beat, would you? You would put your money into a **Going Concern** where there is life and hope!

Well! Why Don't You Try the West?

We suggest the west, because the west spells **Progress!** Here are the cities of the future, where hamlets existed a few years ago. Here are the towns which possess both sea and rail transportation facilities! Here are the towns whose strategic positions ensure them becoming large commercial distributing centres in the near future! Here is **Alberta**, the future Liverpool of Canada.

A Seaport Town of no Small Renown

So situated at the head of Alberni Canal on the west coast of Vancouver Island, its importance as a seaport town cannot be doubted, or too strongly emphasized. This canal opens itself out into the Pacific Ocean, after its land locked course from Alberni, extending for a distance of 26 miles. Its water is of great depth, permitting of safe navigation to the largest vessels plying the west coast, being one to three miles in width. An investment in a place possessed of such enviable features

Must Surely be One of the Best!

Yes! Without a shadow of a doubt it is one of the best! Don't be asleep to these great chances, which do not come too often. Remember, Alberni is at present served by one great transcontinental railway system, the Canadian Pacific Railway, and by the end of the year the Canadian Northern will have completed its track into Alberni. Then will come the dredging of Seymour Narrows, connecting the island with the mainland. Mail and passengers from the Orient and other routes via the Panama canal, to be opened next year, will be landed at Alberni, and transported by rail to Vancouver, saving from eight to twenty-four hours to the present route.
 ALBERNI therefore is where you should invest.
 Lots can be bought for \$150, inside the town limits. Easy terms, 10% cash, 5% per month.
 Test it for yourself. Buy a lot today and help to develop the west.

A Fast Disappearing Opportunity

To get in on the ground floor at FORT GEORGE.
 Why will Fort George inevitably grow to be a great city?
 Because of its strategic location that assures her of a GREAT FUTURE as a distributing centre.
 Because there is the centre of the richest mining district in America—the CARIBOO DISTRICT.
 Because great areas of TIMBER, 1,100 MILES OF NAVIGABLE WATERS, EXCELLENT WATER POWERS, are tributary to Fort George.

Because there are 250,000 acres of good agricultural lands, open for pre-emption.
 Because of all the railroad that are building or that have got their charter to build through Fort George.
 Because all the grain of Alberta and Saskatchewan shall be exported through the Panama Canal, which means that all that grain shall have to come to Fort George before reaching either Prince Rupert or Vancouver.
 Because Fort George has a better strategic location than Spokane and is the GATEWAY to the Pacific coast of the GREAT RIVER COUNTRY, which covers an area of 3,000,000 acres of the best agricultural land in Canada.
 Within a few years Fort George will be where Vancouver and Winnipeg are today. This is the time to act. The man with a prompt decision is the man who wins, and you have everything to win if you buy right now, because this summer will see a great activity at Fort George and the prices will advance rapidly.
